

# GO TO Church on Sunday

## Where the Fish Are

Granddad loves to fish. Secretly, I think he likes to talk about it equally as well. He spends hours with his friends arguing the pros and cons of "angling." The other day I overheard a lengthy controversy about the best place to fish. Granddad ended the whole matter with these words of wit and wisdom, "If you ask me, the best spot to fish is out there where the fish are—so let's get going!"

This special brand of humor greatly appealed to all of his friends and it remained in my mind long after they had left. It seemed to answer those nature lovers who claim that they can worship God out of doors as well as in church. For certainly, the best spot to worship God is where God is.

Worship means not only moments of adoration and praise but also thoughts channeled toward God. The Church has the living presence of the Lord and inspires spiritual thoughts through hymn, prayer and litany. Yes, the best place to lift up the heart is in the house of God.
