Ten minutes early! The service of worship begins at eleven, and the Anderson family has had time to saunter a little . . . gratefully aware of the glorious autumn morning and the serene beauty of their church building. Afterwards, like Christians the world over, they will go home refreshed and inspired by God's Word, ready to meet whatever the week may bring.

Turning from self-service to God's service is never easy, but it is immeasurably worthwhile. When our hearts are completely God-centered, all other concerns fall into their proper places . . . and our lives become richer and more significant than our minds can imagine.

"Everything else can wait . . . but your search for God cannot wait." There is still time. Come to church this Sunday and share in the bounty of His strengthening love. It is yours for the asking.
