

# GO TO Church on Sunday

## SHORT OF A MIRACLE

Rome's Coliseum, partly tumbled into ruin, is considered one of the wonders of the world. It was built in 80 A. D.—and that is a long time ago, to be sure. Yet it is but a second when measured against the ages that have passed since God created the world.

The Coliseum—wonder that it is—is also visible proof of the limit of man's accomplishments. We consider it nothing short of a miracle that something built by man has endured that long. Yet those things created by God remain endless and eternal.

God's works should, indeed, fill even the wisest of us with wonder, with awe, and with gratitude. We tend to take them all too much for granted. We tend, at times, to forget them—and even to forget Him—entirely.

Discover God again, in the church of your choice and in the process, rediscover yourself.
