# LANDISVILLE - SALUNGA NEWS

The Hempfield School Board approved the purchase of faculty room furniture at a recent meeting.

Purchase of faculty room furniture from Washaw Design Inc., Lancaster, for \$2,132; a paragon kiln from Eddy's Ceramics, New Holland for \$210; and insurance to protect teacher's personal property used in classrooms where approved. Authorization for the sale of a used chlorinator to the East Hempfield Twp. Water Authority for \$50, and approval of a contract with the firm of B. R. Kreider to have walks at the Centerville Jr. high school for \$130 was also given.

The board approved Nov. 8 as the date for the annual senior class trip to New York City, approximately 150 students and eight chaperones made the trip.

double in the classroom. Sixteen sets of twins are enrolled in the senior high school and at Centerville Jr. high school.

The Hempfield Sertoma Club observed Ladies Nite by going to a Hockey game on Wednesday evening, Nov. 6. Dinner was eaten at the Cocoa Inn.

At Hempfield under the direction of Henry Fox high school band master, the interested students "come out" for the football band in their Fall activity. When football season ends, the football band season ends too, thus the football band is a separate entity from any other musical organization in the school. Many band players are also in Hempfield Concert band and other school instrumental organizations, but in the football band, they play different instruments. This year there are only three students of the 77 total band complement who do not regularly play with another school group.

Fox does no actual directing in the football bands' public performances as he leaves this responsibility to the students. He created many of the Hempfield routines normally requires 10 hours of marching drill and two hours to learn the music for a single halftime performance the Hempfield contingent presents five different routines seasonally on a home and away appearance basis.

Under the same activity program complementing the band is its eight-girl majorette team and the 16-girl rifle drill team both under the supervision of Mrs. Lynn Spangler.

On Wednesday evening, November 13, between 7 p. m. and 8:30 p.m. has been designated as a time when all teachers will be at the Centerville high school to meet parents who desire further information about their child's report card, which were sent home on Tuesday, Nov. 5

The amount of \$58.45 was raised for the Vicki Usner Fund in a combined club project sponsored by the Health Careers Club and the Future Homemakers Chapter of Hempfield high school recently at the three-night "The Market House Event" at Columbia. Both clubs joined forces of making candied apples to sell at an outside booth with all the proceeds being contributed to the fund. Many of the girls of both scholastic organizations were friends of Miss Usner and decided this sale would be a way of helping her. Miss Usner was injured in an auto accident almost a year ago and has been in a coma since then.

Teachers in secondary schools at Hempfield Union School District have a good reason to say they're seeing
