 Grilled hamburg on
 buttered heated roll
 Green beans - butter sauce
 Celery stuffed with peanut
 butter

Mrs. Pat Miller of Mount Joy has completed a course of training preparing her for the position of Welcome Wagon hostess which she now holds in this community.

Mrs. Miller resides at 102 Poplar Street and is one of 6,000 Welcome Wagon hostesses who are making approximately a million calls annually on families in the United States, Provinces of Canada, the United Kingdom, and Australia, embracing more than 4000 cities.

These calls on behalf of Welcome Wagon's more than 100,000 sponsors are made on families on such important occasions as when they arrive in a community as newcomers; when there is a new baby in the home; and when an engagement is announced.

Chilled fruit cup
 Milk

Calls are also made on special occasions such as Golden Wedding Anniversaries and other special family events.

Mrs. Miller, on behalf of her sponsors in Mount Joy, will take religious and civic information to the families on whom she calls. With her "Most Famous Basket in the World" filled with gifts, she will warmly extend to the people of the community, for those sponsors, the old-fashioned hospitality for which Welcome Wagon is so well-known.

● This and That

(From page 1)

ued: "All the nice things the editor says are certainly true—and it was a real thrill to me to see them in print! They brought tears to my eyes, and I have read and re-read the editorial several

times. I shall save it and take it to California to show to my children and grandchildren."

As the conversation continued, we learned that Mrs. Stewart grew up in Mt. Joy, but has been gone for a number of years. She still gets the Mount Joy Bulletin, however, as a birthday gift each year from Mr. and Mrs. Zerphey.

"And although I don't recognize too many of the names any more, now and then I see something of special interest to me, so I never fail to read it all, each week" she told us.

A personal "thank you" by telephone, all the way from Las Vegas! It was just another one of those "good" things which proves that the world is still a pretty fine place in which to live!

Another thing that impressed us recently with the same conclusion was the "Bundie Drive" at Donegal high school in which the students went out on a cold Saturday morning, and collected TWO TONS of good, warm used clothing for the needy families in Appalachia!

There were warm sweaters, coats, mittens, underwear, skirts, hats, shoes, and socks — just about every item of clothing necessary—and all of it was in good condition. Yet, the styles may have been a little out-moded, and the materials weren't all "permanent press"—but what a lot of warmth and comfort they will bring to cold men, women and children in the coal mining areas!

And what a worthwhile service our Donegal boys and girls so willingly performed!

In 1967, United States rice farmers produced a national record crop of 8,964,800,000 pounds of rice.
