

GO TO Church on Sunday

fascinating fishes

"See! see!" Amy cries, using one of her new-found words. Her voice trembles with wonder, and suddenly the fish Bob brought her become more than ordinary. They're magical creatures, slashing through the water with a flick of their tails, golden gleams of fascination.

How thrilling is a baby's world—changing, growing. Every day brings a new experience, some added lore to shape the growing personality.

Bob and I know how important these days are in Amy's development. Her acquaintance with the world now will affect her life greatly. That's why we take her to church every Sunday. We want her to learn of God's love from earliest remembrance.

God is the light of the world. His Church offers you and your family the opportunity to make His presence a joyous reality in your lives.
