NSPECTION

This or This

FEB. MAR. APR. 1970

Read the back of it carefully.

Under the new Year-Round Inspection System, half of our cars will be inspected during one three-month period; the other half during the following three-month period. But each car will still only be inspected twice a year. It's all being done to help reduce tie-ups and waiting at the inspection stations. To know when your car must be inspected always check the back of your sticker.
