tioned, a lot of people consider themselves as part of The Establishment. And, they are proud of it. They believe that they have been trying to do the right things, they have tried to stand for something constructive, they have tried to raise their children in the right paths and they have a certain feeling of pride about the whole thing. And, if you'll scratch most of them a little, you'll find that they hope that they can do even a little better than they are doing now. Not only that but they have a feeling that they want their friends and neighbors to do the same thing. So, you see, there is great potential for forming an "Establishment Club." Most of the people you know actually already believe that they do belong. You want to know what the dues should be?

—Just keep thinking and acting the same way and keep putting the emphasis upon the virtues mentioned above.

### CARD PARTY

The Circle A club will hold its spring card party in the Armstrong auditorium on Wednesday, May 21, beginning at 7:45 p.m. There will be bridge and pinochle. Reservations may be made until May 20.
