church, two trees and two thick scrapbooks have in common?

They are gifts presented Sunday morning to the Rev. and Mrs. Nevin H. Zuck at the close of his final sermon at Elizabethtown Church of the Brethren.

They expressed the appreciation and the gratitude of its large congregation for the 25 years of outstanding service given to the church by Pastor and Mrs. Zuck.

It was a moving, impressive service, as the people gave tangible and intangible evidence of their love and esteem for the man and his wife who had served so well and so long in their midst.

We felt fortunate to be in the audience for such a beautiful occasion. All of the tributes touches us, but especially the gift of the trees. One is to be planted on the lawn of the church in Elizabethtown, and the other on the lawn of the parsonage in Goshen, Indiana, where the Zucks are moving soon.

In presenting the trees, the following quotation from Psalm I was used: "And he shall be like a tree planted by the waterside, that will bring forth his fruit in due season. His leaf also shall not wither, and whatsoever he doeth, it shall prosper."

What a wonderful way to make sure that there will be a living, continuing symbol of the church's affection and gratitude!
