

# GO TO Church on Sunday

Would you like to live in a house like this? It might be fun for awhile, but chances are that the novelty would soon wear off. When it comes to daily living, Americans are comfort-lovers. We want the latest car, deep freeze, stove or vacuum cleaner.

Because we pride ourselves on being modern, sometimes we are apt to think of going to church every Sunday as old-fashioned and out of gear with the present-day world. But the Church, in case you haven't noticed, is keeping up with the times far better than a lot of us. And isn't it true that certain basic truths, traditions and ideals cannot be gauged as modern or old-fashioned? The Church is ready to face tomorrow. Why not go next Sunday and see for yourself?
