

GO TO Church on Sunday

Now, in "the quiet years," he has a chance to put the finishing touches on that schooner. When a man's working with his hands, he has time for some thinking, for some looking back.

Our aged friend has a good many years to look back over—some of them good, some bad. But, through all of them, there's been one steady, continuing force, like a thread of steel woven through the pattern of his life.

This force has been the thread of faith—a faith that is sustained and strengthened when a man devotes great time and energy to the Church and its mission.

Now in "the quiet years" he can look back over what has been—he can rejoice because he is able to review a life full of devotion.

You see, it is all-important to be able to review the right kind of life. Don't wait. Start going to church now.
