

GO TO Church on Sunday

Peas in a Pod?

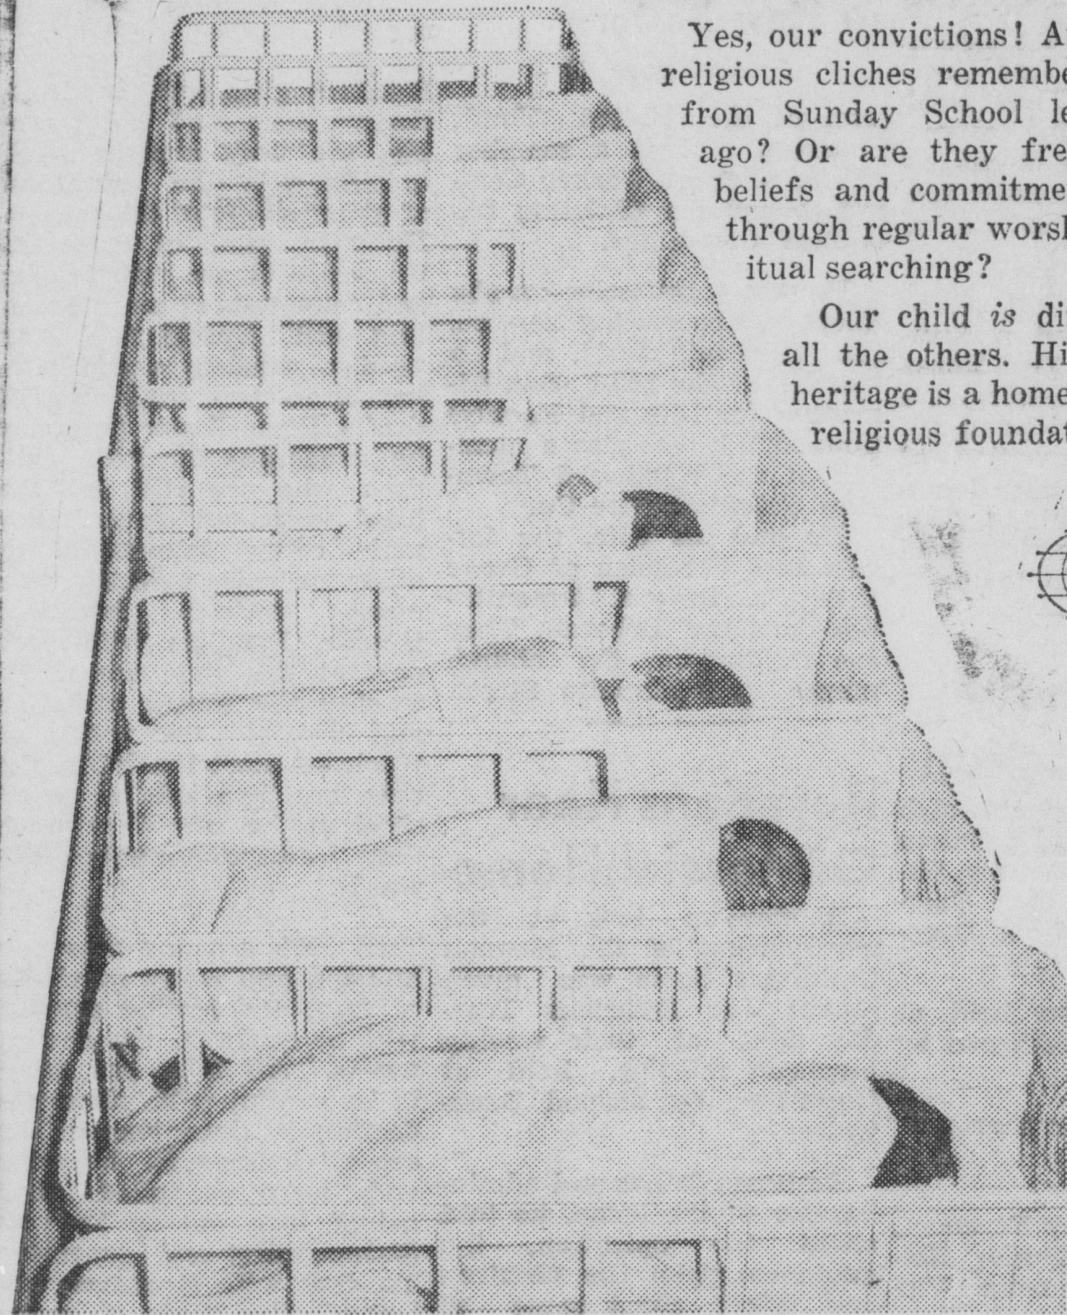

All men are created equal! But their mothers see it differently. And their fathers don't hand out cigars simply to attest to their part in the population explosion.

It's natural to believe that our child is just a bit different from all the others.

Surely he has *our* love to start him off, *our* good sense to guide his development and *our* convictions to mold his.

Yes, our convictions! Are they stale religious cliches remembered vaguely from Sunday School lessons years ago? Or are they fresh, vigorous beliefs and commitments acquired through regular worship and spiritual searching?

Our child is different from all the others. His immediate heritage is a home built on *our* religious foundation.
