Bank Opens New Branch

At a brief ceremony Monday morning, May 18, L. H. Herr, chairman of the board of the Lancaster County Farmers National Bank, and Robert Y. Garrett, Jr., bank president, received a gold key from E. E. Murry, of Wm. Murry & Son, Inc., general contractors, officially opening the new branch bank at 1800 Oregon Pike. They, in turn, presented the key to Harry J. Gundrum, branch manager. Known as the "Manheim Township Office," this is the fourteenth location of the County Farmers Bank. It is situated at the intersection of Murry Hill Drive and Oregon Pike and is designed to serve patrons in the northeastern section of the city and vicinity.

Complete banking facilities are provided, including multiple drive-up windows, night depository, safe vault and booths, a conference room and six teller stations, as well as a public meeting room. It is possible to enter the bank from both the front and the rear, and there is adequate parking space adjoining the building. The bank is Colonial in design and from the gold wall-to-wall carpet to the Williamsburg chandelier, it is elegantly furnished.

Pneumatic Remote Control Teller System

The drive-up teller station may appear unattended save for the small, grey box housing the remote control system, but it features a two-way communication system, as well as visual contact, between the customer and the teller inside the bank. With this arrangement a customer merely places his deposit in a space-age type capsule, which is whisked inside the bank some fifteen or twenty feet away, via an underground pneumatic tube, to a teller who processes the deposit and returns the duplicate ticket—all in a matter of seconds.

A Grand Opening will be held on June 4-5-6, when the public will be invited to inspect the modern facilities.

Staff named
In addition to Manager Gundrum, who is a graduate of Franklin and Marshall College and a former manager-trainee of the bank, the staff includes: George W. Glattacker, Jr., head teller; Mrs. Sue Babec, branch secretary; Mrs. Bonnie Carver, Mrs. Mary Stauffer and Charles Showers tellers.

Banking hours are scheduled for 10 a.m. to 6 p.m., Monday through Wednesday, and from 9 to 12 o'clock Saturday morning. As an added convenience, the hours on Thursday and Friday will be ex-
