THE Prayer of the Week

The Prayer this week is by E. Stanley Jones "O Spirit of God, descend upon my heart and take out all that separates between Thee and me, and between me and my associates. For I cannot live with Thee unless I can live with them.

O Spirit of God, cleanse away all that divides us from each other and hence from Thee. For the Spirit of God can dwell only where there is a spirit of unity. Save us from a divisive spirit, for we want Thy Spirit. In Jesus' name." Amen.

FIDDLER CRABS

Fiddler crabs are called fiddlers because of the extreme difference in size of the claws of the male, one claw resembling a fiddle or violin and another the bow.
