

GO TO Church on Sunday

He makes a marvelous picture—but would he really make a marvelous chef? Can you imagine what might happen if you let him brew up a pot of everything his chubby little fingers could latch onto?

Let's face it! It takes thought, direction and planning to do anything well in life — even to make a good stew. Though a true chef may not follow the cookbook precisely, he will select and blend his ingredients with care and precision. Only then will the dish be a success.

What does all this have to do with going to church? More than you might think! If you have been leaving the Church out of your recipe for living, you have been missing some of life's most priceless ingredients — God's love, His priceless gift of Faith and some of the greatest lessons ever revealed to man.
