## Mailing Dates Listed

Assistant Postmaster, Joseph Shaeffer is urging residents of Mount Joy "to try to remember" that recommended mailing dates for civilian domestic Christmas mails start the first of December.

The national Christmas "mail early" theme for this year, he explained, is based on the familiar musical tune "Try to Remember" — and is featured in public service radio and TV announcements. "The idea," he said, "is to have our customers remember recommended mailing dates. This will insure fast and efficient delivery of parcels and cards and prevent disappointments for friends & family members. Of course it will also be a big help to your post office."

Key suggested latest dates by which Christmas mail should be deposited are as follows:

**DOMESTIC MAILS** (Except Alaska and Hawaii)

Distant States, Parcels, Dec. 1; Cards, Dec. 10.

Local and Nearby Areas, Parcels, Dec. 11; Cards, Dec. 15th.

**ALASKA & HAWAII**—Surface Mail, Parcels, Nov. 30; Cards, Dec. 4. Airmail Mail, Parcels, Dec. 14; Cards, Dec. 14.

In addition, Shaeffer noted several dates applying for civilian international mail, as follows:

To Canada and Mexico — Surface Parcels, Dec. 4th; Card, Dec. 9 and Air Parcels, Dec. 15.

To South and Central America—Surface Parcels, Nov. 13; Cards, Nov. 18; and Air Parcels, Dec. 14.

These same dates apply for the various types of mail for Europe. Dates for international mails to other parts of the world are usually posted in post office lobbies, but, in case of questions, consult the local post office. Earlier Asst. Postmaster Shaeffer announced deadlines required on military mail going overseas, as follows— Nov. 20 for "SAM" (space available mail, and No-
