

# GO TO Church on Sunday

## look what i haven't got

A child can be proud of a missing tooth. She knows it will grow in later, better and stronger than ever.

It's different with the opportunities a child may be missing!

Like the opportunity to gain the spiritual and moral foundation for adult life... and the opportunity to gain inspiration and example from the religious faith of parents... and the opportunity to find wholesome interests and friendships among the boys and girls at church.

Sure, she points today with pride to a missing tooth. But what if her parents continue to deny her the precious opportunity for religious training? What if she is forced to grow up without the faith and moral conviction life constantly demands?

WILL SHE BE PROUD OF WHAT SHE DOESN'T HAVE?
