FREEZE CRANBERRIES

Buy fresh cranberries while the supply is good and put them into the freezer in the package in which you buy them, and you can enjoy the taste of fresh cranberries the year-round, says Mrs. Ruth J. Buck, extension foods and nutrition specialist at Penn State. When ready to use the berries, give them a quick rinse in cold water and then chop or grind them in their frozen state or cook according to directions on the package or in your cookbook.

Things are pretty well evened up in this world. Other people's troubles are not as bad as yours, but their children are a lot worse.

GARMENT FIT

Don't overlook the importance of correct grainline when it comes to checking the proper fit of a garment, reminds Mrs. Ruth Ann Wilson, extension clothing specialist, The Penna State University. If the garment is not cut on the straight grain, fabric distortions and wrinkles can form as the fabrics tries to straighten after washing or drycleaning.

Tricky Pockets

For fall, you'll like to use the trim collar and triangular pockets on this yoked dress. No. 3343 comes in sizes 10 to 18. Size 12 (bust 34) takes 2 1/2 yards of 44-inch fabric. Make it sleeveless again later on.
For each pattern, send 50 cents plus 15 cents for first-class mail and special handling to IRIS LANE, (care of this newspaper), Morris Plains, N.J. 07950.
Free pattern is waiting for you. Send 50 cents for our new Fall-Winter Pattern Book, which contains coupon for pattern of your choice.
