sylvania Manufacturing Confectioners' Association.

Recipient of numerous awards for his contributions to the industry, he was singularly honored in 1967 at Chicago with the Stroud Jordan Medal of the American Association of Candy Technologists, a coveted award in the world of confectioners. The honor was based upon his contributions in the field of education and training of chocolate technology. He also holds patents for certain product developments.

He attended Lebanon Valley and Elizabethtown colleges and in 1953 received the M. S. degree in chemistry from Franklin and Marshall college.

As a resident of Mount Joy Musser has served approximately ten years on the Donegal School District Board of Education, one year as president. This past year he has been vice-president.

### ● This and That

(From page 1)

this year is that there seem to be fewer shiny, silver or gold artificial trees in homes. The look of the trees is "natural" and instead of a modernistic glow of all-blue or all-red lights, the bulbs are many-hued, giving the trees an old-fashioned look.

Christmas music is one of our favorite parts of this sea-

son of the year. We only wish we were twins or triplets, so that we could attend two or three times as many programs!

As it is, we have enjoyed three already this year—the Baltimore Choral group presenting "The Messiah" at the Trinity Lutheran Church in Lancaster, the Seiler elementary school program at Beahm junior high, and the Christmas concert of the Elizabethtown College Concert Choir at the Elizabethtown high school auditorium.

The Baltimore group sang Handel's beautiful music to a full house. The 4th, 5th and 6th graders of Seiler, with their fresh, young voices and their responsiveness to their director, Mrs. Ethel Broske, pleased their audience, too. At Elizabethtown, the choir sang a Christmas cantata accompanied by a brass ensemble, and it was very effective.

### Rotary Hears Attorney Eaby

A story about Rotary membership development was given Mount Joy Rotarians Tuesday noon at the club's weekly luncheon meeting, held at Hostetters.

The speaker was Attorney David Eaby of Ephrata, who has undertaken a district-wide membership project. He expects to talk with perhaps 20 clubs in District #739.

He told of a membership plan which has worked very successfully in his home Rotary club in Ephrata, increasing membership by 70 percent within the past year.

He said that Rotarians have a goal of 200 new members in the district this club year.

The speaker was introduced by R. F. Hallgren, program chairman.

### Choirs to Give Sunday Concert

The combined adult and youth choirs will present a Christmas program on Sunday, Dec. 20, in the sanctuary of the Elizabethtown Church of the Brethren, at 7 p. m. The program, under the direction of Charles Millard, will include two major works which represent quite different approaches to the telling of the Christmas Story.

The Christmas Oratorio, by Saint-Saens, is done in a form similar to that of Handel's Messiah. Members of the adult choir will be featured as soloists. They include sopranos, Mrs. Da. Paul Rice, and Mrs. John Gerber; mezzo soprano, Mrs. Wayne Eberly; tenor, John Grace; and baritone, Robert E. Ziegler.

The Song of Christmas, by Roy Ringwald, presents the story of the nativity through original Christmas songs, familiar carols, and Biblical passages. The narrator will be the Rev. George Snavely. Vida Sue Snavely and Jean Reist will be in charge of staging. The youth and other members of the congregation will be called upon to help dramatize the familiar story in the chancel.

Pat Sherfy, church organist, will accompany both works. She will also present additional organ compositions.

Interested persons are invited to join the choir and the congregation for caroling through the streets of Elizabethtown following the program. The carolers will return to the church for hot chocolate and chile.

## THE Prayer of the Week

The prayer this week is by John Knox:

"Honour and praise be unto Thee, O Lord our God, for all Thy tender mercies again bestowed upon us throughout another week.

"Continual thanks be unto Thee for creating us in Thine own likeness; for redeeming us by the precious blood of Thy dear Son when we were lost; and for sanctifying us with the Holy Spirit.

For Thy help and succour in our necessities, Thy protection in many dangers of body and soul; Thy comfort in our sorrows, and for sparing us in life, and giving us so large a time to repent. For all the benefits, O most merciful Father, that we have received of Thy goodness alone, we thank Thee; and we beseech Thee to grant us always Thy Holy Spirit, that we may grow in grace, in steadfast faith, and perseverance in all good works. through Jesus Christ our Lord, Amen."

## Jaycees Discuss Projects

The Mount Joy Jaycees met last Tuesday, Dec. 8, to discuss club activities for Dec. and January.

The project, "Sounds From Home", was just completed with excellent cooperation from 15 local Jaycees and men from Spring Grove and Northeastern Jaycees.

The Christmas Shopping Tour is arranged and scheduled for Saturday, Dec. 19, at the Mount Joy Fire House. Bob Eshleman and Larry Gainer are organizing the activities.

Larry Gainer and Ron Hawthorne are chairing projects concerning fund raising activities for the many projects for 1971. Mount Joy residents who have not purchased wrapping paper can do so from any local Jaycee.

The Christmas Lighting project will be dropped for this year.

Plans already are set for the Jaycee Week in January. Activities will include library night, flags up, Bosses night, church visitation and the annual DSA banquet.
