

GO TO Church on Sunday

There are days when Jim feels "all geared up." Like many men today, he has the sense of being just a cog in a wheel—no real identity. This is wrong!

It takes a great many Jims, all kinds, to keep the wheels turning. But each is important, and each is an individual. God intended men to have not only a sense of identity, but a basic self-esteem.

Maybe you've been underestimating yourself! Maybe you've been feeling that you are just one of the crowd! If so, during this Lenten season you'd better take a new look at both the world and yourself.

For a new perspective, maybe you'd better start going to church.
