

IMMORTAL SYMPHONIES

Winter is on my head but eternal spring is in my heart. The nearer I approach the end, the plainer I hear around me the immortal symphonies of the world to come. For half a century I have been writing my thoughts in prose and verse; but I feel that I have not said one-thousandth part of what is in me. When I have gone down to the grave I shall have ended my day's work; but another day will begin the next morning. Life closes in the twilight but opens with the dawn.
—Victor Hugo

THERE IS NO DEATH

In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that know him.—Angelo Patri

In the South it is an old superstition that if you sneeze on Saturday you will see your sweetheart on Sunday!

There are 14 to 78 babies in a gartersnakes litter! Saint Crispin is the patron saint of shoemakers!

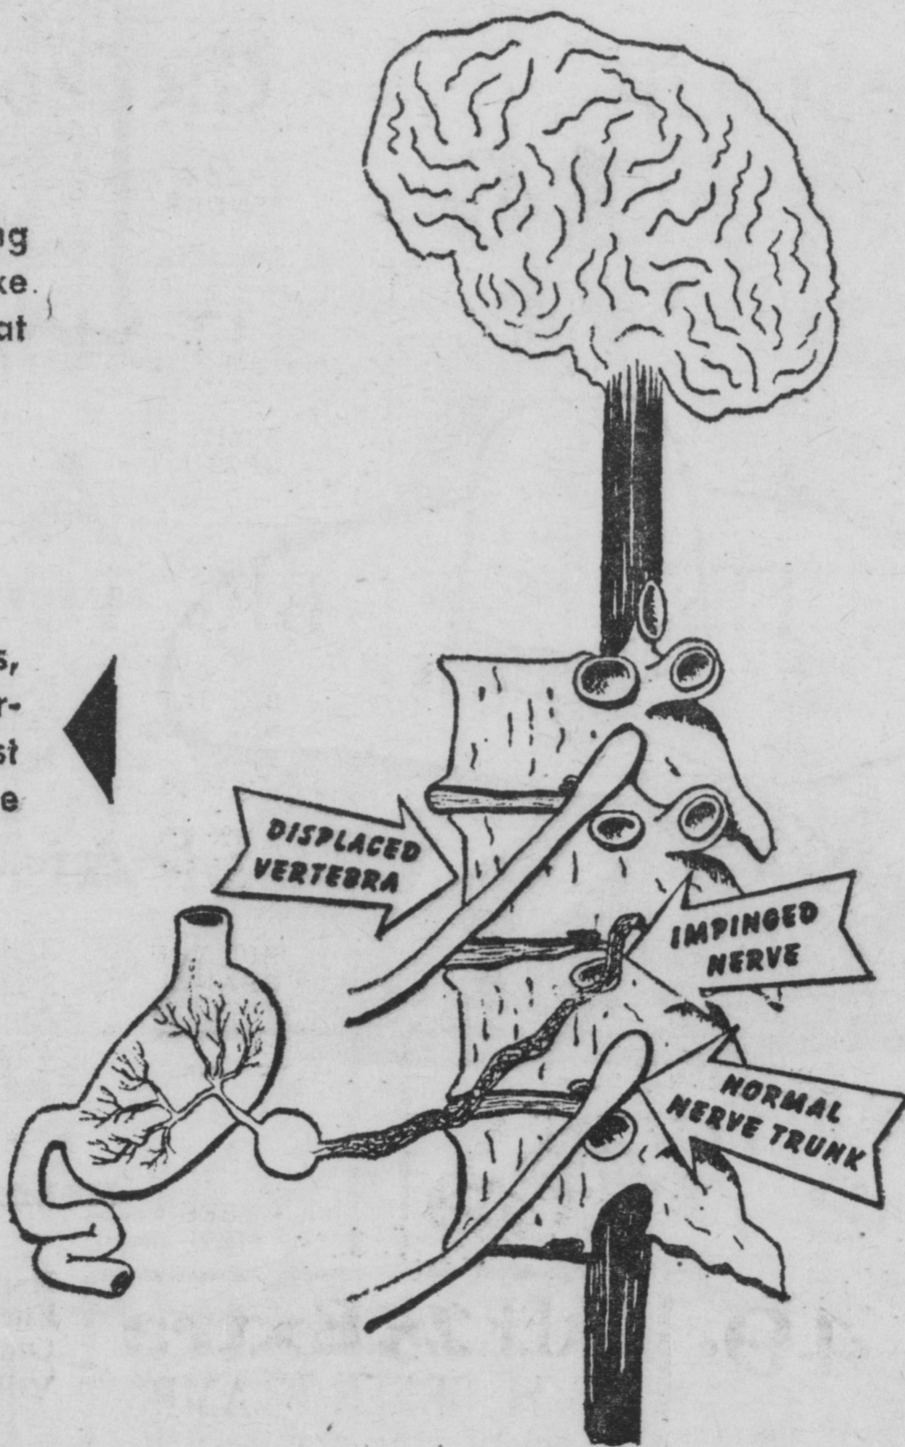

NERVE SUPPLY IS JUST AS IMPORTANT TO HEALTH AS WATER IS TO A FLOWER...

The only way Farmer Jones is going to get his flowers watered is to make that mischievous lad let loose of that hose.

Just As...

The only way your so-called gastritis, ulcers, indigestion, or stomach nervousness will be healed is to adjust the spine and release the interference to the nerve.
