The Continental Congress once recommended a suspension of all public amusements—but no one took it seriously!

In 1968 it was reported that Zolilio Diaz of Spain had rolled a hoop 600 miles from Mieres to Madrid and back in 18 days!

The highest stilts ever mastered were 22 feet from ankle to ground.

To remove wax from the felt pads of a floor polisher, place the pads between several thicknesses of paper towels and press with warm iron, the old wax will absorb on the paper towel in seconds.

Some water insects have gills!

The first widely-used lubricant on locomotives was mutton tallow!

Don't be a target when transporting big game, either by pack horse or on your back, Mark the game with a patch of red or international orange.

The beauty and strength of marble come from the skeletons and shells of countless millions of tiny sea animals called crustaceans.

Terminue was the Roman God of Boundaries!

It is not uncommon for young children to bring home things that do not belong to them. When a 'theft' is discovered, avoid dramatics. The young child should be guided with dignity.

LAY PLANS NOW FOR A BIGGER NEST EGG

SAVE A LITTLE SOMETHING EVERY PAYDAY

You'll be amazed how fast those painless amounts will grow into substantial savings — up to several extra "paychecks" per year. If you do it regularly, you hardly know the difference . . . until the day your nest egg is a necessity. For unexpected bills or taxes . . . education . . . to take advantage of a special bargain . . . or to treat the family to a first-class vacation. Then, you'll find a pleasant bonus, too: the generous interest we pay on every dollar you save.

So, start saving soon . . . and often . . . and watch your nest egg grow!
