Mr. and Mrs. Paul H. Diferferer were among a group enjoying the "Fall Foliage Tour" with the Lincoln bus company Oct. 9 and 10. They toured through West Virginia, Southwest Pennsylvania and Maryland. Points of interest visited were the Black Water Falls and Black Water Canyon, Burkley Springs, and Cacapon State Park, and the smallest church of 48 states, Our Lady of the Pines Church in Horse Shoe Run, all in the state of West Virginia. They saw the highest point in Pennsylvania, Mt. Davis, which is 3,213 feet high. They spent Saturday night at Stone Motel in Black Water Falls. Due to the weather the foliage was not at its "peak", but they report the trip was very enjoyable.

Jeffrey Duke, son of Mr. and Mrs. Jere Duke, celebrated his eighth birthday Friday, Oct. 23. Sharing his birthday with him were several friends, including Jon Ruhl, Craig Lehman, Phillip Landis, Dean Brian, Kirby Umholtz, Monte Mower, Darryl Shank, Roxanne Shank and Brian Newcomer. They enjoyed a delicious supper and games directed by his sister, Tammy.

The two third grades at Seiler spent Wednesday, Oct. 20, on an all-day field trip visiting such interesting places as the Pensupreme Dairy, the Anderson Pretzel factory and the Landis Valley museum. At the dairy they toured the plant, viewed an educational film and were treat-

ed to ice cream. The pretzel factory, which only opened in Lancaster county last spring, was very interesting. The pretzels were all machine made. Upon completion of the unguided tour free samples were given to all the children. At Landis Valley a thorough tour of the museum was given the group by a very capable hostess. The children were especially interested in the new Weave Shop where spinning and weaving were demonstrated on antique looms. Those accompanying the group were the teachers, Mrs. Margaret Hart and Miss Dorothy Kaylor, Mrs. Hart's student teacher Miss Mary Young, and the following mothers, Mrs. Pat Moran, Mrs. Kenneth Good and Mrs. Robert Godshall.

Rains Pour on Braves

On Sunday afternoon, Oct. 24, the Donegal Braves Mid-get football teams played the Lancaster Elks teams at the Donegal high school field. As in the past two home games the rains again poured down. This week the game was played in spite of the rain with the Braves making a fine showing. At least the Braves rooters buoyed up by the fine hot coffee and hot dogs from the food stand, seemed to enjoy the games.

'A' Game

The Elks "A" team which is in contention for first place in the Red Rose League, had their hands full with the Braves. Even in the pouring rain Haines and Gallagher were able to hold the ball and drive for good yardage. The half-time score was 0-0. In the third period the Elks scored on a long run. Their point-after attempt failed making the score 6-0 Elks. The Braves had a nearly certain scoring situation as Haines broke loose on the kickoff return only to trip up at the last second on a team mate and the slippery turf. The Braves kept their drive going to the two where the ball went over on downs. The final score was Elks 6—Donegal 0.

'B' Game

A fine, wind driven drizzle made the pigskin into a greased pig as the "fumble"

ruled the first half of the game tussle. Neither team could maintain possession in the first half. The score was 0-0 at the half.

The second half was a real thriller. In spite of the dampness Hopwood was able to complete a few passes, hitting Mowrer on short passes. A big Donegal break came after Splain punted the pigskin making it roll to the two yard line. The Elks fumbled and Donegal recovered on the Elks three. Hopwood snuck the ball over to score. Houseal ran the end for the extra point. Donegal led 7 - 0.

The Elks Thomas made a long scoring run to make the score 7 - 6. Then Donegal intercepted a Elks fumble in midair and took possession on the visitors 15. An Elk's player was injured on the play. He was attended by Dr. Kendig and was able to walk off the field. When play was resumed Houseal took the ball through the line for a second Brave score. The extra point try failed. The Elks came right back to score their second TD but their extra point try also failed so the Braves won 13 to 12.

The "C" team was cancelled as the rain continued to increase tempo. The game will be played Saturday morning at 10 o'clock at the Donegal high school field.
