CHECK VEGETABLES IN STORAGE
Remove any decaying vegetable you have in storage. Decay spreads rapidly, remind Extension vegetable specialists at Penn State university. Make sure ventilation is adequate.

HUNT SAFELY
A good hunter controls his gun and himself at all times, reminds Robert G. Wingard, Extension wildlife specialist at Penn State. By handling a gun properly all the time and by always waiting to see the game clearly, a hunter trains himself to be careful.

The three-year ministry of Christ carried on in a little corner of the world has had more influence on human thought and behavior than anything else that has occurred in human history.

He who knows only his own side of the case knows little of that. —J. Stuart Mill

History may not repeat itself but there are patterns.

Tide Bumped from Title

It's not how things are going in September but how they are in November which counts in football!

And, that's what has made Manheim Township 1971 Lancaster Co. football champs.

Columbia had looked good — mighty good — all season long and had hung onto an undefeated record until last week, when Conestoga Valley played keep away football and unsaddled the mighty Tide.

That shaped up the king-maker game for last Saturday of the season — Nov. 13 — when Columbia met Township's "still-in-the-race" Blue Streaks.

With a mighty effort which laid heavy stress on its offense, the Streaks dammed up the Tide and won a bombing 35 to 0 victory.

It was a crushing, bashing ball game which put the spotlight on the containment of Joe Horn, who has been a heavy Columbia offensive threat all season.

So vicious was the Township defense that the game was played principally in Columbia territory with the Tide backed up fighting to stave off even heavier Blue Streak scoring.

It is Township's first county grid title since 1968.

Happiness is not in our circumstances but in ourselves. It is not something we see, like a rainbow, or feel, like the heat of fire, Happi-ness is something we are.

It is more important to know where you're going than to see how fast you can get there.

Plumbing Service
DAY & NIGHT / 7 DAYS A WEEK

Bringing Home Modern Ease

Enjoy more home comfort and convenience. Let us update plumbing, install waste disposal lines. Free estimates.
