

THE GOLDEN DELICIOUS IS AN ALL-PURPOSE APPLE

The Golden Delicious is not only perfect for fresh eating, but is also excellent for pies, salads, sauce and baking, even when past the shelf life stage for eating out of hand, reminds Dr. Loren D. Tukey, professor of pomology at the

Penn State university. The merits of this "sunshine apple" should be spread far and near, and backed with the marketing of only quality fruit.

MORE TRAVEL DURING WINTER DARKNESS

Dusk comes earlier during the winter months, so people do more night-time driving. Sometimes drivers can't stop quickly enough when they see potential hazards. Slower speeds and cautiousness are the solutions, remind Farm & Home Safety Committee of the Penn State university.

The first commercial TV station west of the Mississippi was KTLA, which began broadcasting at 8:30 p.m. on Jan. 22, 1947 from a converted garage in Hollywood, California.
