YOUTHS URGED TO KEEP 1971 HUNTING LICENSES

Pennsylvania's young hunters are reminded to hang on to their 1971-72 hunting licenses, rather than throw them away at the end of the hunting season.

A youth under the age of 16 must show proof that he has either completed a hunter safety course or has hunted in Pennsylvania or another state in a prior year before being eligible to purchase a hunting license.

Some who have taken hunter safety courses have lost their certification cards, and have difficulty proving their eligibility when they go to purchase new hunting licenses.

If the youth has a previous hunting license, this is sufficient proof that he is eligible for another license.
