BIG GAME REPORT CARDS DUE

Successful bear and deer hunters in Pennsylvania are reminded by the Game Commission to return their report cards to Harrisburg.

The Game Law provides that hunters who harvest bear and/or deer shall file reports on the big game animals taken. The reports are to be filed within five days of the close of the season in which the big game animals were taken.

A penalty is provided for successful hunters who fail to report their big game kills.

On Sept. 9, 1776, the Second Continental Congress put an official stop to the practice of calling the United States the "United Colonies" on official documents.

Put all wrapping paper away as soon as presents have been opened. A carelessly dropped match or cigarette could be the spark to a very sad, silent night.

exercises held at 10:30 a.m.
