Card of Thanks

MANY FIRES CAN BE PREVENTED

I want to say thank you to all my friends, neighbors and relatives for their cards, flowers and prayers during my stay in the hospital and since my return home.

A special thank you to Dr. Kendig, Bachman Chocolate Co. and Uncle Art Morrison. Also a special thank you to the Faculty and Staff of the Maytown Elementary School for the kindness and thoughtfulness shown to my wife.
 Lane Shank 47-1c

AFTERTHOUGHT

It's important to build character. Sometimes it is important to rebuild.

In both rural and urban communities, fires are costly in claiming lives and destroying property. Look into the cost of fire extinguishers for small fires, urges the Farm & Home Safety Committee of Penn State.

You will be surprised at how inexpensive they are in comparison with the safety they afford. Pressurized extinguishers are sold in many hardware stores and may also be available from your fire department. Then if smoke should fill your home, you know that fingertip flame control is always handy.
