On Wednesday, May 3, the sixth grades at Seiler spent the day touring Hopewell Village and St. Peters Village. They enjoyed seeing the iron furnace used to make iron and also saw how charcoal is made to use as fuel in the furnaces. Teachers in charge were: Mrs. Grace Alexander and James Sarbaugh. Also accompanying the group were two mothers: Mrs. Mary Negvesky and Mrs. Michael Ross.

Former residents of Mount Joy, Miss Cindy and Bonnie Bates, have been doing quite well swimming for the Stratford Youth Swim Team. Cindy placed third in the 50-yard freestyle and fifth in the New England Swimming Championships. Last week Cindy flew to compete in the National Youth Swimming Championship held in Erie, Pa. Although she did not place, they report it was a wonderful experience. Cindy and Bonnie are daughters of Mr. and Mrs. Le Roy Bates, now residing in Stratford, Conn.

Fourth grade children from Grandview school took a tour of Lancaster county Friday, May 5. They visited the Anderson Pretzel bakery, Glick's Amish bakery and farm, toured the apple blossom area of Kauffman's orchards, toured the Amish farmlands in the Intercourse area, visited the Lapp farm where the children saw the Belgian horses, and visited the Mill Bridge museum-mill with its craftsmen in action. The children tasted funnel cake and also had Amish buggy rides while at the Mill bridge. They were accompanied by their teachers and Elizabethtown college aide, Mrs. Zella Rehner, Mrs. Vera Albert, and Miss Debbie Seigal.

The "Grandview Paragraph Lottery" project in Mrs. Vera Albert's fourth grade came to its conclusion this week. Begun as a unit to learn the art of paragraph writing under the direction of Mrs. Gail Castle, Elizabethtown college aide, the drawing took place Tuesday. Mrs. Castle had devised a unit of teaching with the writing of paragraphs at its conclusion. Each paragraph paper had stapled to it a paragraph lottery ticket. For each paragraph the child wrote, he was entitled to one ticket. Mrs. Castle awarded prizes to the children writing the twelve best paragraphs. They were awarded to Kelly O'Leary, Kathy Keener, Donna Zeller, Mark Wagner, Doug Kline, Mitchell Mumaw, Detha Noll, Mary Eberle, Wayne Hartman, LaRue Hess, Debbie Brenaman, and Sam Clark. Six ticket winners were Wayne Cunningham, Donna Zeller, Cleve Gardner, Sam Clark, Robin Snyder, and Joyce Newcomer.

were a strange mixture of gray, black stripes and patches of bright orange fur!

A "give away" ad in the Bulletin, when the kittens began to drink milk from a saucer, brought quick response.

Two high school girls took the first two—cuddling them under their chins as they got happily into a car and drove away.

The next three were taken by a young man from near Elm, who wanted them for his three small children, one of whom was coming home from the hospital the next day, after a tonsil operation. He thought the kittens would be a nice welcome-home surprise. The family lives on a farm, and we would guess

## Central Takes Track Tribe

It's not new news when Cliff Betty wins the 100-yard dash. Martin goes six feet to take the high jump or if Larry Priester breaks the tape in the low hurdles—all of which did happen Monday afternoon, May 8, as Donegal trackmen bowed to Manheim Central 101 to 49.

But it is good news when Betty runs — and wins the quarter sprint in 51.9.

That's not his best posted time this season by .2 of a second but is a healthy reduction from his past several outings and represents a gain toward some ambitious goals for a little later this month.

He ran the 100 in 10.6 but yielded first place in the 220 to teammate Larry Priester, who mostly this season has used his speed in the hurdle races. In practice races, however, he has taken Betty.

The 220 went to Larry in 23.9, which is highly respectable. He also claimed the low sticks in .22 flat but ran second in the highs. The winner stepped the distance in 15.3, which ties Larry's very best effort to date.

Heisey took the high jump at an even 6 ft., the long jump at 20 ft. 10 ins. and the triple at 41 ft. ¼ in. for Donegal's only triple Monday.

Don Collier ran to a second in the grueling two-mile; Wally Braucht, a consistent placer, was second in the shot and Dean Spangler claimed a third in the high jump.

Donegal high school's trackless track and field team is a paradox!

The smoky gray one went to a dear little friend who will be three years old soon. She had a kered for him, to replace another "Gray" who was hit by a car about a year ago.

That left only one gray-black-orange little fellow, the "runt," who was so tiny when he was born that we didn't know whether he would make it or not. But he grow, is lively and aggressive and we want to keep him for awhile longer to see he gets extra milk until he is big enough to leave his mother. Then he, too, may have a new home!

# D.H.S. Baseball Team Wins

Rain washed out Donegal high school's baseball card on Tuesday afternoon, forcing a new date for the Indians to invade Elizabethtown.

Only three games are left on the '72 Donegal card — Columbia (Thursday), Ephrata (May 16) and Manheim Twp. (May 18).

And, as things stand at midweek, Donegal and Section I baseball are headed for a

"giant killer" finish.

IF Donegal continues to win, stopping Columbia and Ephrata. And, IF, at the same time, Manheim Twp. continues to win until the two are scheduled to meet May 18, the Tribe will be battling for a tie in the big race.

A Donegal win under those conditions that day would throw the section into a play-off; both teams now standing

with all wins except one loss to the other.

In the meantime, the going gets rough and tough.

But, baseball has been, for many years, a sport in which Donegal has been able to display a great deal of savvy.

With a stable of 4 winning hurlers, Coach Al Brooks is in good shape for a hotter finish than many other high school ball teams.

If the Section I season goes into an overtime, the game probably would be played sometime during the week of May 22. County playoff between Section I and II would follow quickly.

Coming from behind, Donegal baseballers Thursday afternoon, May 4, on their home field, knitted together two good innings in the 5th and 6th and finally stopped Hempfield, 5 to 4.

It was win number eight in nine starts and kept hopes for a Section I title a strong possibility.

The win went to Bob Myers, who posted his fourth victory as he worked 6 innings, gave four hits, four walks and fanned three.

Rick Emenheiser came to the rescue in the seventh as the Knights made a last-inning rally. He put out the fire with only one run.

Scott Transue was the losing hurler, giving up five hits during his 5½ innings. He struck out three but 5 runs crossed on him before he was relieved by Eckert.

Jim Brown, with two for two, knocked in two runs during the afternoon as he continues to be second best man in the RBI department. He has been batting just over .300. Lou Sargen, who had one RBI against the Knights, leads with seven.

Hempfield opened the scoring, racking up three before Donegal could get under way, chasing two across in the first and another in the second.

Lou Sargen was in fine fettle Friday afternoon, May 5 as he handcuffed visiting Penn Manor, 3 to 0, and forged another link in a classy season which is drawing fast to a close.

Victory kept Donegal's pennant chances alive with nine wins against a lone defeat—by Manheim Twp.

Sargen went the full seven inning route, giving only 3 hits and one base on balls. All the while, he was striking out eight.

And, he had one of three Donegal hits in two times at the plate.

The Indians faced three pitchers but collected only three hits. However, they did work nine walks off Rineer who was charged with the loss.

Jim Hamilton had the big bat for the Indians, hitting safely twice in three times and claiming two RBIs.

The Tribe jumped off in inning one with a pair of runs, adding another in the second and then hung on, working for the shutout. It was their third of the season—Penn Manor earlier and Columbia.

Sargen's win was his third of the season against one loss. He has worked 29 innings on the hill giving up only 22 hits while fanning 29.

## Tennis Team Wins Two

Still unbeaten and hardly challenged, Donegal's tennis team Monday afternoon, May 8, slapped a 7-0 defeat on Solanco and vullied toward season's end.

Wednesday afternoon Pequea Valley was to come to Donegal and on Monday the 15th, the Indian netmen go to McCaskey for a non-league match with the J. V.'s, and then on the 16th entertain Conestoga Valley in the finale.

Monday Donegal won five singles and two doubles—all except one in straight sets. Actually, Solanco won only 16 games all afternoon and Donegal swept 10 matches by love sets.

Drew Hostetter, Brent Zeller, Scott Albert, and Ed Smith swept to 6-0, 6-0 wins in the singles and Dave Schlosser was one game behind with 6-1, 6-0.

Smith and Buchanan went 6-4, 4-6 and 4-3 to win their doubles and Frey and K. Smith took theirs 6-0, 6-0.

Donegal high's big tennis machine continues to roll!

Thursday afternoon, May 3 at Warwick, the Indian netmen grabbed their seventh straight win of the season and kept the record clean with a 6-1 score.

Donegal swept every match except one singles. During the entire afternoon, only one match went to the third set for a decision.

Drew Hostetter won his singles match without giving a single game, 6-0 and 6-0.

Brent Zeller took his opponent 6-1 and 6-1.

David Schlosser gave up three games in the second set but won 6-0 and 6-3.

Ed Smith dropped his match stubbornly, 4-6 and 5-7.

Doubles went to Schlosser and Albert, 6-2 and 6-4, and Fry and Smith, who battled up hill to finally break out of a 3-6, 11-9 and 6-2 toughie.

Doubles went to Schlosser and Albert, 6-2 and 6-4, and Fry and Smith, who battled up hill to finally break out of a 3-6, 11-9 and 6-2 toughie.

Against Penn Manor, Donegal's other scorers were: five thirds, by Wally Brought in the shot; Helmstaedter in the 100; Moyer in the mile and in the two mile and Priester in the half mile.

Larry also won his high stick race at 15.5.
