MOUNT JOY, PENNA., WEDNESDAY, MAY 17, 1972

TEN CENTS

By R. A. R.

We'll not mention his name because he already has suffered enough. But—

A young man who married a Mount Joy girl recently showed up here and after beginning to get acquainted made the mistake of challenging one of our local young businessmen to a game of tennis.

Now, what this newcomer didn't know is that Mount Joy has a mighty fine reputation for tennis playing and as a relative stranger you can not tell who just might be pretty good.

At any rate, following the challenge, made back early in the year, the newcomer played hand ball, got himself in condition for the match and had a wonderful time enjoying "how he was going to win." What he didn't know, too, is that his opponent was a pretty good man on Donegal high's team not too many years ago.

So, a few days ago on the appointed day, challenger, bushy tailed and ready, appeared on the borough courts.

The businessman, in new sneakers, carrying an old racket which had a broken string and groaning with six years of inactivity, appeared.

This may not be the actual score but it's near enough. Businessman the winner, 6-0 and 6-3.

Don't sell Mount Joy tennis players short.

To name 'em all would be impossible but you can't overlook Harold Fellenbaum, Dick Divet, Frank Zink, Dr. Schlosser, Si Phillips, Gene Crider, Charles O. Groff.

Now, a new crop is coming up — Drew Hostetter, Brent Zeller, David Schlosser, Scott Albert, Ed Smith—

And lighted courts are on the way.

We're not first to be lighted

All young men living in the Mount Joy wards of the borough, ages 16 to 18, are welcome to join the department under this program. Training will include all phases of fire fighting, as well as training on the company apparatus.

A fire company spokesman stated "the fire company of this borough needs the younger men of our community to continue the volunteer tradition. All young men will be made to feel welcome."

An organizational meeting will be held Wednesday night, May 24, at 7 o'clock at the fire house on Marketstreet.

## DHS Looms Big In District Meet

When Donegal's trackless trackmen step out Saturday at McCaskey high school field in the 1972 District championships, they will be going for something new.

Of the five Indian school-boy athletes who will participate, four will team together to make a try for the mile relay crown.

Coach Charles Portser said this week that present plans are to put Cliff Betty, John Helmstaedter, Pat Henry, and Larry Priester into Donegal's fastest combination and shoot for as near a 3:30, race as possible.

It might not be quite that good but a 3:33 would be mighty satisfactory and might just surprise someone.

In what order he would run the four men Portser was not certain early this week but it would be a good bet that his ace sprinter — Cliff Betty—will run anchor.

The fifth man to take part in the District will be Martin Heisey, who will try in all three jump events—a tough assignment for anyone, considering that he must be jumping continually in the high jump.

And, when a boy who stands about 5-11 or 6 ft. tall is going three inches and more over his own head there is a tremendous effort involved.

The Donegal lineup will be 220-yard dash, Betty; 440-yd. dash, Betty; mile relay; high hurdles, Priester, low hurdles, Priester, and the high, long, and triple jumps, Heisey.

Memorial Day concert in Memorial park.

Each one of the girls will be sitting in a local merchant's place of business Friday nights from 7 to 9 p.m. and Saturday mornings from 9 to 11.

The girls will be in the store with their canisters for donations. Each penny contributed will count one vote for the girl. The winner will not be known until the time of the concert. All girls will ride on a float in the Memorial Day parade.

Money collected will be used to help finance the playground program in Mt. Joy. In addition to basic salary financing by the school district, considerable money is needed for many other necessities on the playgrounds. The only way this extra money is obtained is from individuals, organizations and civic clubs.
