## Subject: PEOPLE!

BY  
NANCY NEWCOMER

Mrs. Warren Foley was among a group of 150 Cadet Girl Scouts from the Penn Laurel Girl Scout council that spent last Saturday hiking 17½ miles. The group left Friday for Spring Gap, Md., and camped along the C&O Canal that night, then set out at 8:30 a.m. for Paw Paw, West Va. arriving at their destination 9 hours later. It was a lovely, scenic route even though it rained the entire hike. On Sunday they walked through the Paw Paw Tunnel and over the top. This expedition was sponsored by the Chambersburg troupe.

Mrs. Lottie McMullen, Florin avenue, and her sister-in-law, Mrs. Catherine Bradley, from Annville, traveled by bus over the week end to Wheeling West Va., to attend a Hill Billy jamboree. They left Saturday and returned on Sunday evening. The program consisted of many old time hill billy stars including Grandpa Jones. On the way home they stopped at several places of interest.

## Netmen Win County Crown

Unbeaten, untied and almost unchallenged, Donegal high school's tennis team has won the Lancaster County championship.

With a 7-0 victory Thursday, May 18, over McCaskey's JV's, the Indians ended the season with 11 straight wins to shade runnerup Manheim Central.

In singles play, McCaskey won only two games and in the doubles were taken straight sets.

Drew Hostetter won 6-0, 6-1; Brent Zeller, 6-0, 6-0; Scott Albert, 6-0, 6-0; David Schlosser, 6-1, 6-0, and Ed Smith, 6-0, 6-0.

In the doubles, Schlosser and Secret took a 6-2 and 6-4 win while Frey and Buchanan won 6-3, 6-1.

Throughout the season, only Manheim Twp. threatened the Indians, taking 3 points during the match, leaving Donegal the winner 4-3. Central and Pequea Valley both were topped 5-2.

The team won by sweeping three opponents and giving up only one match to four others.

## Joyce-ettes Meet

On Tuesday, May 16, the monthly membership meeting of the Mount Joy Joyce-ettes was held at Jaycee headquarters.

Jay Musser, a member of the Board of Public Assistance outlined some of many problems involved in the welfare program, not only locally but nationally. To help remedy some of these problems, Musser stressed public involvement.

President Cheryl Hallgren, called the business portion of the meeting to order.

Sarah Heckert and Lois Getty, co-chairman for the grab bag stand and Nancy Kretzing and Harriet Ney, co-chairman for the bake stand, gave final reports on these Memorial Day activities, in which the club will be involved.

The Princess Pageant report was given by Pat Moran chairman.

The membership voted to

continue the playground treat this summer.

Next month's membership meeting will be a covered dish supper at the home of Pat Leshner and will start at 6 p.m. Guest speaker will be Vincent Corrigan who will give a demonstration on "Artificial Respiration"

Hostesses for this month's meeting were: Pat Moran, Connie Weber and Charlotte Skiles.

## ADVISORY COMMITTEE

Donegal School district has a reading teacher in each elementary building to give primary grade children extra help in reading.

The program is partially financed by a Federal Project, E. S. E. A. - Title I, which requires the formation of an advisory committee.

The Advisory committee is composed of parents of children in the program and other parents interested in education. Parents are invited to attend the meeting and join the Advisory Committee on Thursday, June 1, in the Donegal high school library at 7:30 p.m.

## RETARDED

The Mount Joy Inter-Church Council is planning to start a religious education class for retarded children in the fall.

Class will be conducted on Sunday mornings at Glossbrenner United Methodist Church in Florin, and will be

open to all retarded youngsters in the Mount Joy area. Special materials will be used by the teachers in training the children.

Anyone who would like to be a teacher or a helper for these classes is asked to call Rev. Stephen Getty, 653-5245. Some training is necessary for the teachers, so it is important that the staff be organized as soon as possible.

Teenagers who have an interest in retarded children are encouraged to volunteer.

Prevents Many Weeds All Summer

Scotts

## PLUS 2 - TURF BUILDER

Turf BUILDER PLUS 2, Scotts weed-n-feed, is made especially for people who hate lawn weeds and love healthy, green grass. It's easy to use, nothing to mix, measure or spray, PLUS-2 clears out most common non-grass weeds roots and all. It also provides a prolonged feeding for your grass at the same time. Makes your lawn grow greener, thicker, sturdier. The time to spread PLUS-2 is now, while weeds are growing. Then sit back and enjoy a better lawn this year.
