Rev. and Mrs. C. Donald Waser and son, Charles of 126 West Donegal street, spent several days the past week visiting relatives in Ann Arbor, Michigan. They visited Mr. Waser's brother, Dr. and Mrs. John R. Waser of Ann Arbor, Dr. Waser has been the director of Christian Education and parish ministry of the First Presbyterian church for the past nine years. He at one time was the pastor of the Evangelical Cong. Church of Mount Joy.

Douglas Germer, son of Mr. and Mrs. John A. Germer, is currently a patient in the St. Joseph hospital, room 630. He was injured in a bicycle accident Friday evening September 8, and is expected to be in the hospital at least two weeks. Douglas is a second second grade student at Seiler Elementary.

Several families spent the Labor Day weekend camping in the Centre County mountains at Woodward Cave. They were Mr. and Mrs. Don Yingst and daughters Diane, Dana and Donna, Mr. and Mrs. Bob Kline and children Doug and Patti, Mr. and Mrs. Bill Bitzer and children Bonnie, Bill and Becky, all from Mount Joy, and Mr. and Mrs. Ed Kirckner and daughters Cindy, Lisa and Karen, from Landisville.

### ON DEAN'S LIST

Glenn R. Stehman, of 61 South Ave., Landisville, now in his third year of study as a chemistry major at the Philadelphia College of Pharmacy and Science, has been named to the Dean's List because of his high scholastic achievement during the prior academic year.

Stehman has been awarded the Henry and W. P. Troth Scholarship for the current year.

different to handle as "Desh" continues to move this pattern of offensive attack.

The Indians were scrappy, playing us a team and sharing the success of their new way of life.

Probably the very newest innovation on the field for Donegal was the presence of a pair of girl "water boys" who shuffled the equipment on and off the gridiron.

The Tide out downed Donegal, 14 to 12, and outgained yardage on the ground, 147-122, but the Indians made some breaks for themselves as Columbia was fumbling five times.

The bobbles were costly to the Tide on their offensive drives as they made probes into what might have been scoring territory.

Although Buzz Yohe as quarterback was the chief passing expert for Donegal, the Indians' first score came near the end of the first half as a result of a Phil Waters toss of about 20 yards into the waiting arms of Mark Rupp as he stood all alone in the end zone. Although Buzz does the signal barking, new coach Deshler calls the plays,

## Approve Finance Against Pollution

The financing of pollution control equipment for Pennsylvania Power & Light company facilities has been approved by the Lehigh County Industrial Development Authority.

The approval indicates that up to \$20 million of tax-free industrial revenue bonds could be issued by the authority to assist PP&L in its efforts to keep its facilities compatible with a clean environment.

I. C. Gutman, Chairman of the authority, said that the authority was pleased to assist PP&L in its effort. "As an organization dedicated to a high quality of industrial development—development which includes thorough consideration of environmental factors—we are particularly happy to join with PP&L in raising the funds they need to maintain a sound and responsible environmental quality program. We've done pollution control financing for two other companies before, but of course, not on this scale."

Robert R. Fortune, PP&L financial vice president, said that money from the bond sales will be used to pay improved pollution control equipment at existing plants as well as installations at the plants which are now under construction. PP&L will assume sole responsibility for providing funds to pay interest on the bonds and to retire them at maturity.

apparently.

Donegal's second touchdown came in the third period, on a 63-yard drive. Jerry Hess carried the ball in on short yardage through the line.

This week Coach Deshler is getting his outfit set for its first league game of the season—at Cocalico.

In their opener, Cocalico's Eagles flew to a 6-0 victory over Ephrata, displaying a tough defense put together by new coach Fred Murren.

## Phone Company Merger Made

The merger of the Columbia-United and Peoples-United Telephone Companies into the United Telephone Company of Pennsylvania became effective on Thursday, August 31. The company will operate over 272,000 telephones in 26 counties and have a plant investment of \$164 million. The 1,650 employees share an annual payroll of \$13 million.

United Telephone President Lawrence G. Wigbels said approval of the merger will help to simplify most administrative procedures and provide for improved operating and financial economics. The companies share common officers. The billing, accounting and other administrative functions have been centralized at the group headquarters near Carlisle. Wigbel said existing personnel will not be affected by the merger.

The Columbia-United Telephone company, in Lancaster, Dauphin and Lebanon Counties serving 26,000 telephones, joined the United System in 1966 through an exchange of common stock with United Telecommunications, Inc., parent organization of the United Telephone System. The Peoples-United Telephone Company, serving 52,000 telephones in Butler and 6 adjacent western Pennsylvania counties, joined United under similar arrangements in 1966.
