

Subject: PEOPLE!

Mr. and Mrs. Kenneth Newcomer returned Wednesday, Sept. 13, from a two-week vacation in Anchorage, Alaska. They flew from Harri- burg to Anchorage with three stops Pittsburgh, Chicago and Seattle. They stayed with Mrs. Newcomer's sister and family, Mr. and Mrs. Paul Hackenberger and children Denny, Jerry, Lee and Jill.

The two men spent five days in a camper hunting for moose and caribou, 300 miles north of Anchorage on the Denali Highway. They were both fortunate enough to bag a handsome moose. Mr. Newcomer's trophy was a yearling weighing approx. 700 lbs. It took them two days to back pack the meat out to the camper.

Besides hunting they did some sightseeing which included a 100-mile trip to Portage, Alaska to see the beautiful blue glaciers, and a drive through Elmendorf Air Force Base where they saw numerous wild life in huge protected areas.

Mr. and Mrs. Charles Heaps traveled to Jeanette, near Pittsburgh, last week to visit the Bowden family. Mr. Bowden was a manager of G. C. Murphy Store in Mount Joy. Westmoreland glass, Pennsylvania tennis balls, paper products, and greenhouse are some of the most important industries of Jeanette.

Jeanette is quite a large city and the Bowdens took the Heaps on a tour of the city's industries and plants. It has a lot of industry and is very different from the Lancaster County farming communities.

Jere Duke, Mount Joy R2, was given the I. Wayne Keller trophy at the meeting of the Association of Accountants held at the Elks Club in Lancaster last week. This award is given annually to the accountant contributing most time to the National Association of Accountants.

Mr. and Mrs. Walter Derr have returned from a trip to Canada in their Volkswagen camper. A highlight of the trip was a visit of nine days to the international convention of steam locomotive hobbyists at the fairgrounds in Milton, Ontario.

While there, they participated in various activities, and both had their pictures in the Canadian Champion newspaper of Milton. Mrs. Derr was chatting with a friend, wearing a Pennsylvania Dutch sun-bonnet, and Mr. Derr was pictured with his "invisible dog," in the parade, alongside an old-fashioned large - front - wheel bicycle.

They also enjoyed meeting and talking with Amish people in the area, and found them very, very similar in dress and customs to Lancaster County Amish, as they migrated from Pennsylvania to Canada at the time of the Revolutionary War.

The Derrs took a boat trip through the Thousand Islands. "It was my first paid vacation in 62 years," Mr. Derr said. "I thoroughly enjoyed it, and am looking forward to another one next year!"

Donegal Braves Open Season

Although off to a shaky start, the Donegal Braves football season is under way for 1972 with boys playing in A, B, C and D competition.

On Sunday, Sept. 24, the midget footballers will travel to play the Presidents, Saturday, the 23rd, the "C" team also will play the Presidents.

On Sept. 3, against St. Anne's at Lancaster, the Braves won A and B games and went for a 0-0 tie in the C division. All exhibition games, the A's coached by John Wealand, won 8 to 0 and the B's coached by Jim Smith, scored a 6-0 victory.

Sunday Sept. 17, Donegal absorbed a pair of losses and managed a tie at Conestoga Valley. The A's matched unconverted touchdowns while the B's bowed 12 to 0 and the C's were blanked 16 to 0.

This past weekend all four teams were in action but luck was not riding the Donegal bench.

Saturday the D's, coached by Ren Morris and John Parker, went to Manor Ridge and were shaded, 6 to 0.

Sunday, playing at home, the Braves were stopped in the A and B sections but managed a win in the third level of play.

The A's were shut out and scored upon in each of the last four quarters while the B's were clipped, 26 to 0, as St. Anne's hit hard for a pair of TD's in the second.

Coming back strong in the fourth period, Donegal's C's counted two touchdowns to overcome an 8-0 St. Anne's lead.

Musser Named F&M Conselor

James R. Musser, a senior at Franklin and Marshall College, son of Mr. and Mrs. Jay Musser, Marietta Ave., is serving this year as a resident hall counselor in Buchanan Hall.

As a counselor, Musser helps provide liason between residents in his section and in the College's Dean of Students office.

Counselors are selected by juniors and seniors who previously served in the position.

Roughly, two-thirds of F&M's 1900 students live in college-owned residence halls. Musser is a 1969 graduate of Donegal high school.

Cicadas sleep underground for 17 years.

Bank Votes For Holding Company

The formation of a bank holding company was overwhelmingly approved Tuesday by shareholders of National Central Bank, according to John C. Tuten, bank chairman, and Wilson D. McElhinny, president.

During a special meeting at 2 p.m. in the Lancaster Hilton Inn, the bank's shareholders voted to form the holding company, National Central Financial Corporation. The bank will become a wholly owned holding company subsidiary.

Before the approval changes can be effected, however, official approval must be given by the Board of Governors of the Federal Reserve System and the Comptroller of

the Currency, Washington, D. C. It is likely that these approvals will be received and that provisions of the holding company proposal will be carried out prior to the end of this year.

Under the approved proposal, the current shareholders of National Central Bank automatically will become the owners of National Central Financial Corporation, their shares in the bank being converted into an equivalent number of shares of the holding company.

Although shareholders will be able to exchange their National Central Bank stock certificates for holding company certificates, they will not be required to do so.

Scouts Plan Camporee

Scouts from Mount Joy, Florin, Maytown, Rheems, Landisville and thirteen other communities will participate in a Western area Lancaster County Camporee on Friday, Saturday and Sunday, Oct. 13 - 14 - 15.

The annual affair will be held at Muddy Run Recreation park near Holtwood.

Some 600 Scouts from the western area of Lancaster County are expected.

Highlighting the weekend's activities will be a demonstration of authentic Indian dances, in full costume, to be performed during the campfire program by the Western District chapter, Order of the Arrow. William Simmons, of Landisville, is chapter adviser, and Elwood Myers, Manheim is director of the Indian dance team.

Fellowship, fire safety, and first aid will be emphasized during the three-day camping event. "One of our purposes is to develop an increased sense of friendliness among Scouts of the Western District and an exchange of ideas among Scout leaders," says Jay Obeid, associate district executive. Those taking part in the Camporee will work on Saturday to overcome a series of simulated disaster in order to improve skills needed in emergencies, Obeid said.

The public is invited to visit the Muddy Run campsite on Saturday, October 14, between 9:30 a.m. and 4:30 p.m. and is also invited to a campfire ceremony that evening at 9 p.m. Special guests at the campfire will be members of Western District Cub packs.

Cochairman of the Camporee is Robert Kahley, 65 Stanley Ave., Landisville.
