**NEW! QUICK! Old-Fashioned JOHN COPE'S CORN**

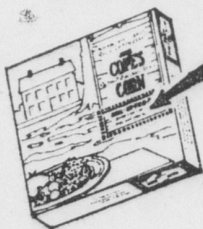

**Boil-In-The Bag convenience. The taste that Grandma loved ...in just minutes.**

Grandma Cope used to spend hours preparing dried sweet corn. Letting it soak, fussing over it. Adding a pinch of this and a touch of that. In fact many Lancaster County folks still take the time to make our corn the way Grandma did.

But times have changed. People are a lot busier than they were in Grandma's day. That's why we've put our toasted sweet corn in modern Boil-In-Bags. For people who want the old-fashioned flavor of our special corn ... but who can't spend all afternoon in the kitchen. It's every bit as good as Grandma's. And a whole lot faster.

IN THE FROZEN FOOD SECTION

**Free box of corn.**

Send us this coupon, plus two panels marked "Boil-In-The-Bag" from the fronts of two packages of John Cope's toasted Corn. We'll send you a certificate good for a free package. It's our way of saying thanks for trying our corn.

Enclosed are my two panels. Please send me certificate for free box of John Cope's Colonial American Recipe Corn.
