CHEESE STORAGE TIPS

Extension consumer specialists at the Pennsylvania State university remind you to store cheese with an aromatic or strong odor in a tightly covered jar or container. Such cheeses are fast curing and best when used within a reasonable time after you buy them.

LIFE

We will never become discouraged or cynical if we are constantly on the lookout for all that is good about life and living. Bonita Granville Wraether, one of the producers of "The Lassie Show," finds a deep sense of satisfaction in presenting wholesome, positive ideas in an entertaining manner. She sees the dog Lassie as purveyor of kindness, love, warmth, friendship, and hopes that many will be reminded that these qualities, when expressed, invariably become the foundation for a fulfilling life.
