JAYCEE WEEK DEDICATED TO GEORGE "PRINCE" ALBERT

George Albert was known to his community as "PRINCE" Albert and was a Charter member of the Mount Joy Jaycees. His interest and hard work in Jaycees left a lasting impression on those who served with him as he promoted the Jaycee ideas for the benefit of Mount Joy. He was president in 1958, a National Director of the Pennsylvania Jaycees, and continued his efforts for Mount Joy through other civic clubs and Borough Council, and many other associations he became affiliated with over the years. He was given the first Jaycee International Senatorship Award in the local chapter along with a life membership in local, state, and national Jaycees. Our community shares the loss of not only a Jaycee, but a man who was not just a "spectator", but an active "participant" in the game of life. He will be missed.
