

Win One; Drop One

With a going-away surge, Donegal clipped w/less Norlebo Tuesday night, Jan. 23, 60 to 21, and sent the season's record to 3 - 8.

The Indians, playing on their home floor, led 8-3 at the quarter, stretched the score to a 23-10 advantage at the half.

Norlebo showed more scoring steam in the third but Donegal went farther ahead, leading 37-20 at the end of the period.

In the finale, however, the

visitors managed only 1 point and the Tribe had its hottest scoring quarter of the season, looping in 23 points.

Phil Waters hit for 14 and Bob Brayman had 12 on four fielders and four for four at the free line.

The Donegal JV's began a new win string, taking a 52-28 win to boost the season to 10-5.

It was an "almost possible" situation Friday night, Jan. 19 as Donegal met Garden Spot

but the tide of basketball fortune turned against them and dians lost, 50 19 48.

In the first period both the teams scored eight points. In the second, the G. S.'s went ahead two points and the half ended 22-20. In the third period, the two teams played tit-for-tat, 15 points each.

But, in the finale, the Spartans forged ahead with 22 points while the Tribe managed only 13.

The Spotters scored only one more field goal during the evening but shot 9 of 13 free toss attempts while Donegal had only six tries and converted only two.

For the third times this season, Dick Yuninger, was high-point man for the Green, hitting 15, tying his best scoring effort for any game this season.

The second best Friday was 10 by Scott Zeller.

Interestingly, the best point getting effort any member of the team has had any single evening during the present season is 17 by Bob Brayman

back in pre-league competition against Red Lion.

Only three times — once by Tucker and twice by Waters — has an Indian gone as high as 16.

Waters and Yuninger have each had 15-point evenings and Brayman, Tucker and Hossler each had 14. All of which is one kind of explanation for 2 - 12 win and lost record by the Indians.

Even the Donegal JV's were in the "almost" class Friday night, taking a 40-38 defeat and breaking a nice 4-game win string. The beginners now show 9-5 for the season.

This weekend, the Tribe goes to Pequea Valley Friday, and on Tuesday, the 30th, Elco comes to Donegal.

At home, he lives with his mother and his grandfather and grandmother, no brothers, sisters or others.

With the Zerpheys, there are, besides Steve, who is within a few days the exact same age, there is another brother, two sisters and of course Mr. and Mrs. Zerphey. The warmth, the conviviality and the wonders of a close family unit seem to impress him most. In a few days he will learn how one American family celebrates a birthday.

But, to move backward to the four names which Jorge carries. First there is Jorge, his given name, followed by his middle name, Elias. Then the name most commonly used is his father's name and finally his mother's maiden name. The latter, however, is not normally used.

What's new on the table? It is not any kind of Pennsylvania Dutch cooking which might happen — including chicken pot pie. That's not the kind of exotic dish to tempt a 14-year-old. Oh, no! But, you probably have guessed it — hamburgers.
