World Prayer Day March 2

World Day of Prayer is to be held at St. Luke's Episcopal church, on Friday, March 2, at 7:30 p.m. with churches of Mount Joy and surrounding areas participating.
The theme is "Alert in Our Time". Guest speaker will be Mrs. W. Richard Kohler with musical selections by the Mt. Joy Community Chorus.
The World Day of Prayer is observed in 16 countries under the auspices of the International Committee for the World Day of Prayer. In the United States, Church Women United is the official sponsor and its national committee on the World Day of Prayer has adapted the service prepared by the women of New Zealand.
The offering received in approximately 8000 communities across the nation is administered through Church Women United. Gifts this year we will enable church women to fulfill goals in many places through persons who have languages and skills which we do not have and in ways in which no one unit of Church Women United could achieve alone. In the long list of projects the following are illustrative of the witness and the service which we render:
—new projects to strengthen the voice of American Indians and to offer training in significant skills.
—the completion of a five-year project of 100 titles of children's books published in five languages, to celebrate the 60th anniversary of the Committee on Christian Literature for Women and Children.
—opening a new program in the islands of the Caribbean to assist women to discover and develop their potentialities
—providing fellowship and service for international students and guests in the U. S. and a pastoral ministry among Americans working abroad.
