**Library Fund Drive At \$5,000**

Mount Joy's Library Fund drive has been overmatched by more than \$400!

That is the information released this week by Ron Hawthorne, library treasurer, who is handling the fund collections.

In addition, there are pledges to the library for other funds later this year.

Although the goal of \$4,600 has been passed and \$5,000 is in hand, the library still is accepting gifts

and the anticipation is that there will be several hundred more dollars given within the next few days.

Additional money will simply give the library a better operating "cushion" against the next time it is necessary to give attention to the financial situation.
