Mr. and Mrs. Dulio Hernandez and Family

## 'Of This and That'

(Continued from Page 1)

another couple were traveling in the West one summer several years ago.

In the early morning hours they were hurrying through a little California town when a local policeman stopped them.

"Did you know you were traveling 45 miles an hour in a 30-mile-an-hour zone?" he asked them.

"No, I didn't realize it," the Hershey man replied, "but maybe we were."

The policeman asked the man for his driver's license, and then as he glanced over it, he said, "So you are from Hershey, Pennsylvania!" And then he added, in the Pennsylvania Dutch, "Do you speak Dutch?"

Quick as a flash our Hershey friend answered, also in Dutch, "Yes, I speak Pennsylvania Dutch, and I'm so Dutch myself that sauerkrat comes out my ears!"

The policeman laughed out loud at the reply, handed back the driver's license and said, "On your way, my friend! I, too, am Dutch. My ancestors lived in Pennsylvania, but my parents live in a Dutch settlement in Kansas!"

Incidentally, after this incident, our friend was very careful of his speed in all the other little California towns, and only regretted he had not gotten the policeman's name, so he could have sent him a box of good Hershey chocolates!

## BORO. COUNCIL

(Continued from Page 1)

for rebuilding of the borough building roof was withheld pending investigation of the contractor. Three bids were received. Second low as for \$6000 and the high was \$7585.

The H.R. Miller company of Lancaster was given a contract for the borough's Phase I 1973 summer street repair and building program at a base price of \$18,538.80. A phase II continuation of the program is expected to be ready for examination at council's next meeting.

Borough Manager George Ulrich was given permission to proceed with purchasing trash containers, to be placed throughout the borough, using some \$755 (or perhaps \$885) contributed by various borough organizations, and up to \$475 of borough funds. Decisions as to design etc. were left to the borough manager.

## MAIN STREET

(Continued from Page 1)

But, as the time for the Breakfast approached, it became acutely obvious that \$1 per plate would not cover the new costs.

So, during the meal, an announcement was made, pointing out the situation and it was requested that "each person drop an additional quarter in the basket at the door as you leave."

And, that was that.

Except, that the marvelous part of the story is that when the cash was counted later, it became immediately apparent that "there's too much money."

As it turned out, almost every one of the 200 or more men present had not only responded to the problem, but had just about doubled the amount suggested as needed.

That kind of response spells out something about the kind of people who live in this community. There was a need and the request was overmatched 100 percent.

Still there are developments which can be traced to last year's Hurricane Agnes.

One of the annual early spring events of the area for many years has been the Marietta Horse show.

For 1973 it's a casualty of the storm - all the temporary housing in the area, you know!

## Awarded Certificates

Twenty members of the Sophomore class at Donegal high school recently were awarded National Certificates of Educational Development on the basis of tests given at the school.

The certificate is awarded to each student whose composite score is at or above the 90th percentile nationally.

Class members receiving certificates were:

Dean Buchenauer, Helene Dalkiewicz, Pamela Drace, Paul Earhart, Timothy Eshelman, Mary Alice Heilman, Maureen Jones, Newton Kendig, William Landis, Brian Leshner, Rose Livelsberger, Patricia Peifer, Ramona Sell, Ramon Sell, Scott Shoemaker, Joseph Snyder, Selisa Stauffer, John Weidman, Ray Westafer and Richard Yunginger.

"It is a good thing that life is not as serious as it seems to a waiter." (Don Herold)

## '73 IMPALA. OUR MOST POPULAR CAR...

## NOW AT THE YEAR'S MOST POPULAR PRICES.

There are good reasons why year after year Impala is America's most popular car. Impala traditionally comes through with more value per dollar when it's new (and the highest resale value in its field).

This year is no exception. Impala features a new hydraulic bumper system. Plus variable-ratio

power steering, power disc/drum brakes and Turbo Hydra-matic, all standard.

There are also good reasons for you to come in and check our deal on a new Impala. After all, selling Impalas at popular prices does wonders for our popularity too.

**IMPALA. THE GREAT AMERICAN VALUE. AGAIN.**
