St. Mark's Dedicates Two Memorial Gifts

At special services Sunday morning, May 27, two significant gifts to St. Mark's United Methodist church were dedicated.

A new set of paraments for all seasons of the church were given in memory of Mr. and Mrs. Albert Habecker by the family of the late Clyde Wivel-Helen M. Wivel, Virginia and Donald Renck, Lillie Ann and Galen Kopp, Joseph and Rebecca Wivel, Pam Wivel and Tom Wivel.

Also dedicated was a complete new set of hymnals, a number of which were given the church in memory of John Updegraff by members of his family.

TEENAGE PREGNANCY

Teenage mothers run greater risks of having premature babies, says James E. Van Horn, Extension family life specialist at Penn State. Many girls under the age of 18 are not physically mature enough to carry a baby for 9 months and deliver it normally. They are more apt to give birth to an underweight or premature baby in which there is a higher death risk. Early prenatal care may help prevent low birth weight or prematurity. This is why it is important for women to seek a doctor if she even thinks she may be pregnant.

On Sept. 5, 1774, the first Continental Congress met in Philadelphia with 12 colonies represented.
