"Grant us appreciative souls. If the hardships of the world have embittered us until the benedictions have been forgotten, remind us, we pray thee, of all the spiritual assets of life. Make real to us again the background out of which have come to nobler aspects of our heritage, the resources of power within our reach, the friends that have not been untrue, the persons that have not been unkind. Refresh our hope and courage. For Jesus Christ's sake. Amen."
