Mr. and Mrs. John Hoffman spent last week in Oregon visiting Mr. and Mrs. Warren Hoffman & son. This was quite an event because it was the first time they saw their new grandson.

Frank Wiegel, Baltimore called on Mrs. Ada Frank last Monday.

Mr. and Mrs. Warren Watts, Mrs. Beulah Campbell & son, Mrs. Rose Oyer & son of Minerva, Ohio, spent last weekend with Mr. and Mrs. Edgar Mayers.

The Watts Family held a reunion last Saturday at the Maytown Legion Park.

A surprise birthday party was held last Sunday for Connie Zinn. She was 16 years old July 19.

Mrs. Charles Johns celebrated her birthday anniversary July 16 and their son Steve celebrated his July 18.

Mrs. Mary Wetzel has returned from the Memorial Hospital in Johnstown and is now recuperating at the home of Mr. and Mrs. Fred Wetzel, Jr.

Irwin Leas has returned from the hospital and is convalescing at home.

Mrs. Henry Haines was a patient in the hospital last week. She expects to return home this week.

Miss Sadie Earhart has been enjoying a vacation for the past two weeks.

The members of Boy Scout Troop 53 are camping at Camp Mack this week. Their leaders Charles Johns and Charles Gerber are there also.

Mr. and Mrs. Edgar Mayers left on Wed. by plane for California. On the return trip they will stop at Layton, Utah to visit the Smith family.

Adam Greer and Michael Longenecker, Marietta, have returned from their "Round the World Flight." They left California June 24 for Alaska, the North Pole, across northern Europe. They stopped at Rome, saw Pope Paul, visited Greece and the Acropolis and the for-

tified citadel of Ancient Greece. They stopped a Nairobi, Africa where it costs the sponsors \$5000 for a landing and take off. While flying over the Indian Ocean they saw the total eclipse of the sun June 30. Their next stop was India where they said sewage systems are being installed as well as high rise apartments being constructed, while there is tragic poverty, hunger and distress. They visited the home of Mahatma Gandhi. India has one of the oldest civilizations in the world and many different religions. Several other interesting parts of the itinerary were a three-day visit of Thailand and a flight over the South Pole. In Hawaii several members of the flight contracted the flu. One thing that was particularly noticed was the devaluation of the dollar - \$20 bill in Australia was worth only \$14.

John Hess also was with this group but he remained in California to visit other parts of the United States.

This flight was scheduled by Mt. San Antonio College of Walnut, California. It required more than 2 years of planning and the cost was set during the planning stage. A deficit of \$3000 was realized at the end of the trip. This was made up by the passengers.

They all agreed this was a trip which they shall never forget.

Robert Warner and William Earhart returned last week from a vacation in Florida.

The Fire Co. answered two ambulance calls last week. Both were to accidents on Rte. 441.

The Prayer of the Week

The prayer this week is by Carl S. Patton:

"Almighty God our heavenly Father, who art not far from any one of us, but who art afflicted in all our afflictions and who carriest all our burdens upon Thine own heart; give to me and to all whom I love the divine gift of endurance; that whatever I am called upon to bear I may bear in the sense of Thy companionship, and that coming at last out of all my difficulties, I may be able to praise Thee for Thy continual help; through Jesus Christ our Lord. Amen."

Seminar For Young People Sun., Aug. 5

A unique opportunity for young people to learn how to communicate their Christian faith to others will be given Sunday, Aug. 5, from 2 to 6:30 p.m. During that time, a condensed seminar on personal witnessing will be conducted by John F. Hart in his home on the Marietta Pike near Donegal high school.

The seminar will be open to all interested young people of the junior high, high school and college ages, and will include such helpful information as how to start a spiritual conversation, how to present the message of God's love and forgiveness, how to encourage a person to receive Jesus Christ, and how to assure a person that Christ is in his life.

The schedule of events during the afternoon will include a time of explanation and practice in witnessing techniques, an opportunity to speak to other teens at Long's Park, and a time of sharing and eating afterwards. The cost of the training will be \$1.00, including the materials and the evening meal. Those interested in attending the seminar are asked to register by phone sometime before the day of the seminar. The phone number is 653-1137.

Hart formerly traveled extensively throughout the U.S. as part of the athletic division of Campus Crusade for Christ. During his travels, he has taught techniques of personal evangelism to high school and college students as well as layman, drawing from many personal experiences in witnessing.
