MOUNT JOY'S ONLY NEWSPAPER

TEN CENTS

MOUNT JOY BORO COUNCIL

New Lights, Radios, Heating

Mount Joy Borough Council, at its regular meeting on Monday night, Oct. 8, voted favorably on the installation of two, 3,350 lumen street lights in the Westview development.

Council approved a federal revenue sharing application which asked for funds to be used for rewiring at Friendship Fire company and for a new heating plant at the Florin Fire company hall. Specifications were ordered drawn.

Drawing of specifications for the purchase of a new, light dump truck, complete with snow plough, was ordered.

A resolution ordering the reconstruction by the property owner of a sidewalk at 126 Manheim street was adopted.

Tentative dates on which Mount Joy merchants would be allowed to 'hood' parking meters were approved as follows: 1973 - Dec. 6 - 24; 1974 - March 21-23; July 18-20; Oct. 3-5, and Dec. 5-24.

Paul J. Anderson, Marietta avenue, was given permission - on a trial basis - to cut the curbing for the building of a driveway.

Legal counsel is to be asked to draw an agreement form for police officers who are granted police school training advantages. Council will ask officers to agree to remain with the force for a minimum of 12 months after completing the schooling with salary adjustments for failure to observe the agreement.

Council was notified that the Jaycees have repaired tennis court lights, increased the illumination and that a coin operated timer switch is expected shortly.

A second mobile radio unit which will be tied in with the new county police system was approved at a price of \$1,000 and a second walkie-talkie unit was authorized at a cost of \$875.

A delegation of citizens of the south Market street and Columbia avenue area visited council, asking that a "four-way" stop sign be erected at the intersection. Citizens charge that there is speeding along Market street and that the area has several hazards - school buses, nursery school, many bicycle riders and that there have been accidents because motorists fail to observe the stop signs on Columbia.

"Four-Way" stop signs are not, generally, favored by the borough but a study was promised. In the meantime, new modern stop signs are to be installed to replace "old-fashioned, inadequate" signs.

Tentative agreements were made between the borough and the American Legion for the installation of all-night illumination for the flag staff on the front of the borough building, for all-night flood lights on the flag pole in Memorial park and for the installation of adequate lighting for use at the park for after-dark programs.

Propose "Mount Joy Week"  
As Part Of Memorial Day '74

A "Mount Joy Week" to "put the town on the map" has been proposed as part of the 1974 Memorial Day celebration.

As roughly outlined at the October meeting of the Community Council, held Wednesday, Oct. 3, at the borough building, the week would include "a carnival, arts and crafts show, with all local organizations participating, climaxed by the Memorial Day parade."

No commitments were made.

The suggestion was made by Joe Heckert, representative to the Council from the Jaycees. Twelve members of the Council

were present Wednesday.

Community Council is setting up a bicentennial Commission to help in the preparations for the national bicentennial celebration of the nation.

Any interested citizen who would like to serve on the commission is invited by the Council to contact Mrs. Franklin Zink, Council president. Member organizations of the Council are being asked to have at least two members serve on the commission.

First meeting to organize the Commission is set for Monday, Oct. 29 at the home of Mrs. Zink.

FRIDAY, OCTOBER 26

Marietta Halloween Parade

Friday night, Oct. 26, Marietta will hold its 1973 halloween parade!

Sponsored by the Marietta Jaycees, the event will begin at 7:30 o'clock. Paraders will form their line, beginning at 6 p.m., at the Riverview school.

Edward Flanagan and Richard Smedley Jr. are chairmen of the parade and they should be contacted by those who have floats to enter.

The parade will march west on Market street and disband at Porter and Essex streets.

Rain date is Saturday, Oct. 27.

Marietta's 'trick or treat' night has been set for Tuesday, Oct. 30, 6 to 9 p.m.

42 Girls Finish  
Five-Wk. Clinic  
In Baby-Sitting

Forty-two Donegal Area girls have completed a five-week Babysitting Clinic conducted by the Mount Joy Jaycee-ettes. Each girl was expected to attend every session and to pass a written examination.

At each session, area experts taught safety and child care techniques from infancy through the elementary grades. Mrs. William Grove and John Harnish, teachers, taught the girls games and entertainment techniques. Mrs. Kenneth Brubaker, a child safety expert and nurse, taught simple first aid and safety precautions. Mrs. Kimber Lippiatt, a nurse, demonstrated bathing, dressing and feeding a baby.

General safety and emergency procedures were discussed by Police Officer William Roberts, and fire safety was presented by Fire Chief Frank Good, Jr. At the final learning session, three Joycee-ette mothers - Mrs. Michael Aument, Mrs. Patrick Moran, and Mrs. Richard Hallgren told what they expect of babysitters, and what to expect from their children.

A directory of the girls who successfully completed the course will be distributed throughout the area within the next few weeks.

Three Clubs Hold  
Joint Meeting  
With Jaycees

Members of the Mount Joy Jaycees, Mount Joy Lions and Mount Joy Rotary club held a joint dinner meeting Tuesday night, Oct. 9, at the American Legion.

Robert New, Phoenixville, Pa., state president of the Jaycees, was the speaker of the evening, who said that the three clubs represent part of the "volunteer sector" of society, an element which he declared this country can not live without.

Admitting that there are problems in America, he said that they can be solved and challenged members of the three clubs to help solve them without regard for color, creed, race or age, even if a personal sacrifice is necessary.

Jaycee President Thomas Meckley was in charge of the meeting.

Leisure Club Holds  
October Meeting

The Mount Joy Leisure Club held its October meeting Oct. 8 with attendance of 95. New Members are Mr. and Mrs. Norman Sprecker and Mr. and Mrs. Linton.

One guest present, Mrs. Nye. The meeting was called to order by Mrs. Geo. Groff and the secretary's report read by Nedra Brandt.

Treasuries report was given by Mrs. Cy Gainer.

Next meeting to be held Nov. 12, when the men will entertain the ladies.

MAYOR CLARK BERRIER signs a proclamation naming this week as National Business and Professional Women's Week in Mount Joy as Mrs. Lester Eshelman (left), member of the public relations committee, and Mrs. Gerald Sheetz, B. P. B. president, watch. Focus of the week is on the numerous contributions of all American working women toward the enrichment of American life. Women comprise 40 percent of the total U. S. labor force.

BATTLE ON THE BOTTOM

Indians to Battle Spartans

Battle at the bottom!

That's the way the Saturday, Oct. 20, afternoon football game at Donegal has shaped up!

This week the Donegal Indians and the Garden Spot Spartans are tied for eighth place in the Lancaster-Lebanon league Section II standings, each showing no wins and four losses.

But, when the final gun sounds over the Tribal gridiron Saturday, one or the other will be sitting alone around a cold camp fire at the bottom of the totem pole.

On Saturday, Oct. 13, Donegal was battered, 26-7, at Annville-Cleona and the Spartans were downed, 19-7, by Penn Manor.

Donegal's Big Green Saturday bumped into trouble on the first kickoff and never was able to pull out of a tough afternoon despite the fact the attack on the ground rolled up more than 200 yards from scrimmage.

Randy Leonard took the opening kick and ran it back 84 yards to set the stage for other Donegal disasters. Late in the same period, an Indian pass was grabbed by Bruce Dohner, who went 26 yards for another T.D.

In the second period, A-C needed only three plays to push the ball 75 yards for a third score, which stood 18-0 at the half.

Donegal's counter came in the third as the Tribe moved 55 yards, Grove carrying home the ball from the two. Kicking try by Sheetz was good for an extra point.

The Dutchmen completed their homecoming afternoon with a fourth touchdown in the fourth period as Leonard again crossed

the goal from the nine. A running try for PAT was good.

Donegal has 12 first downs against A-C's four but was not able to count from the air on eight attempts. Another Donegal problem was three lost fumbles.

As Donegal and Garden Spot line up for Saturday's battle, this is how they have played their league games, with Annville-Cleona as their only common enemy, thus far:

Donegal  
Lamp-Stra. 16, Donegal 0  
Elco 19, Donegal 12  
Cocalico 22, Donegal 6  
Ann-Cleona 26, Donegal 7  
Garden Spot  
Ann-Cleona 28, Garden Spot 7  
Solanco 17, Garden Spot 14  
Manheim Cent. 43, Garden Spot 0  
Penn Manor 19, Garden Spot 7

Charles W. Hart, Jr.  
Completes Training

Army Private Charles W. Hart Jr., 22, whose parents live on Mount Joy R1, has completed a 36-week satellite communications terminal repair course at the Army Signal Center and School, Ft. Monmouth, N.J.

During the course, he learned how to repair equipment used in tracking satellites and in receiving and transmitting radio and television signals world-wide through satellites.

Trick/TREAT Night

Wednesday night, Oct. 31, will be Trick-or-Treat Night in Mount Joy!

Mayor Clark Berrier has announced that Halloween Night itself will be the official time for the annual appearance of all sorts of season's characters -- spooks, witches, hobos, goblins, etc.

The date was set by the mayor following consultation with Police Chief J. Bruce Kline.
