FIRST MAJOR OPENING

Phone Cables Go Under Street

First major breaking open of Mount Joy's reconstructed Main street is under way!

Last week workmen in charge of a project for the United Telephone company opened a ditch across Main street at Comfort alley.

Not since the street was completely built in 1966 had there been such extensive breaking open of the pavement for utilities -- water, sewer, gas of others. There have been minor cuts, but never before a complete crossing.

Last week - involving parts of three days - the crossing was completed and the surface replaced.

Actually, there are two phases of the construction work, both of which are connected with placing vital telephone cables un-

derground.

The Main street crossing involves the laying of eight plastic pipes in which the telephone cables will be installed. This first phase involves about a two-block stretch south from the telephone company's property at Comfort and Apple alleys to Comfort and Henry street.

The second phase will include taking lines under ground from the same beginning point, west along Apple Alley to Fairview. There the lines will divide with one cable going north under the railroad to a nearby pole. The other branch will turn to Main, then west along Main and finally terminate on Springville road.

Construction and permit fees to the Borough of Mount Joy for the construction will amount to something slightly above \$2,500.

"Snoopy Comes Home."

The Lions club committee in charge includes Charles Hershey, chairman, John Stauffer and Sam Harnish.

Tribe Clipped In Final Frame, 20-14, As Garden Spot Rallies

Donegal had it won until the final minutes of the game!

But, Garden Spot Saturday afternoon, Oct. 20, rallied sharply and took a 20-14 win to break out of the Lancaster - Lebanon League cellar, leaving the Indians as the only loop team in Section II without a victory this season.

Visiting Spartans scored early with a touchdown and a one-point conversion. The Tribe squared the score after the half-time break when a GS fumble was recovered in the end zone by Keith Dishart and Jeff Sheetz kicked.

The Indian rally continued in the fourth when Randy Richards

broke over from the one and Sheetz kicked to give Donegal a 14-7 lead. But, Garden Spot then went to work and moved 62 yards for a TD but the conversion failed. The Spartans followed with another goal crossing in the final minutes and a one-point PAT.

Saturday, Donegal hosts Solanco, whose Golden Mules have one loop win against four losses.
