Mr. and Mrs. Arthur A. Braun spent two weeks over Christmas vacation visiting with their son and family, Mr. and Mrs. Ernest Braun, in Warner Robbins, Georgia. While there they took a two day trip to Disney World in Florida and enjoyed the many attractions and saw historical Stone Mountain in the state of Georgia, before flying home.

Mr. and Mrs. John Landis and friends from Elizabethtown, Mr. and Mrs. Robert Grosh, returned home Saturday from a sixteen day trip to Florida. They enjoyed ideal weather

with the temperatures in the high seventies and middle eighties with not one day of rain. They spent three days at Disney World which included attending the biggest New Year's Eve party in the world held in the park featuring gigantic displays of fire works, lighted hot air balloons and winged water skiers. They stayed several days in the Clearwater and Sarasota area and enjoyed a delightful meal at the famous Kapok Inn Restaurant at Clearwater. Most of their time was spent relaxing, swimming and golfing. At Ocala they visited Rainbow Springs.

Musical Celebration At St. Marks

In commemoration of the season of Epiphany, St. Mark's United Methodist Church will have a special celebration at its morning worship service on Sunday, Jan. 20, at 10:15 o'clock.

There will be a 'Live' dramatization of the Coming of the Wise Men with gifts for the Christ Child. Congregation and choir will sing "We Three Kings." The Celestial Choir will sing "Saw You Never, in the Twilight" by Wilbur Held. The Chancel Choir will render the "March of the Wise Men" by Harvey Gaul, arranged by Harold Rieder. The Pastor, W. Richard Kohler, will preach on the theme: "Returning Another Way."

Participating in the service, as special guests will be the Jaycees of Mount Joy. Thomas Meckley, the president and a member of St. Mark's Church, will assist in the liturgy of the

from the Milton Hershey school with a speed so great it carried them across the runway at the Airport.

Ice skating has been good, too. All in all, winter sports lovers have been fortunate in Lancaster County this year!

Some of the rest of us, who don't particularly like snow, cold weather, ice and biting winds, haven't fared so well. We have shoveled out driveways, pulled on stubborn boots, picked our way carefully over icy pavements, and driven on highways whose safety left much to be desired!

After the "open season" of last winter, we found it hard to adjust to so much bad weather!

The birds, too, don't enjoy the snow or ice. They find it hard to get enough to eat, and congregate at the feeders which a few kindly humans keep well-stocked. One lady we know reported five pairs of cardinals at her feeder at one time! (We seem to attract only blue jays, but their vivid color, too, was beautiful against the snow and amongst the ice-coated crystal branches of our little oak tree.)

But---January is half gone! And, "there's a magical thought, and sweet to remember--we're nearer to spring than we were in December!" In a month or so, someone may be reporting the first crocus or wild flower!

day. The Jaycees also will hold a breakfast at 7 a.m. on Jan. 20 in the basement of St. Mark's Church.

A hearty invitation is extended to the Mount Joy community to share in the program.

table. In June there will be about 14 and a half hours of daylight.

Mount Joy's Main street Christmas lights have been removed from their poles and the fixtures removed to storage for another season.

Because of the energy shortage, the lights were not connected this year and the wreaths became only "daytime" decorations.

At this point, we're of the opinion that, if the same shortages exist next winter, the Mount Joy decorations just as well remain in storage.

Their best contribution to the holiday season is at night when their dignified simplicity and natural beauty are visible. This season they were lost on the landscape, dissipated with other signs, cables, wires, poles, trees and others regrettably.

preliminary game win, 64-49.

At A.-C., the Tribe managed advantages in the second and third periods but was playing catch-up ball, trying to overcome a nine-

point deficit in the first.

Kevin Miller had far and away his best game of the season, counting a big 18 points.

Annville-Cleona's Little Dutchmen took the J.V. game win, 49-47.
