Plan Sunday Nite Instant Replay Of Earlier Service

The Worship & Preaching Commission of St. Mark's United Methodist Church, is sponsoring an unusual Sunday evening program on March 24 at 7 o'clock in the Sanctuary. It is being billed as an "Instant Replay" because it will be a flashback of the Sunday morning worship experience in an endeavor to reflect in depth upon what was done - and why it was done.

The Pastor, W. Richard Kohler; the organist, Gerald Miller, and the choir directress, Miss Marilyn Strominger, will provide program notes and explanations. Dialogue with the members of the worshipping congregation will be encouraged.

The program is intended to give church members a better understanding of the dynamics and processes in the worship experience each Sunday. It also is hoped that congregational participation will reveal ways and means of making worship innovative, personal and more meaningful.

Mrs. Bernerd Grissinger is chairperson for the Commission on Worship and Preaching. She extends a welcome to the public to attend.
