**Student Council At Donegal Erects Bulletin Board**

A new, two-faced bulletin board to announce activities of Donegal high school has been installed along Road 141 during the past week.

Erection of the board is a project of the Student Council. Cost was about \$2,000.

The Council will use the board to list "coming attractions" at Donegal and the members of the group will take the responsibility of keeping the sign up to date. The "two-faced" feature of the sign makes it possible for motorists to read as they approach from both the north and the south.

**TIMELY TIPS**

(Continued from Page 2)

the egg whites with water. Store eggs in the shell with large ends up to keep yolk from sticking to the shell. This position also helps them keep their natural quality longer.

Eggs will lose some of their good looks after a week in the refrigerator, but they will usually be just as good in taste and nutritive value.

To prevent off-taste, keep eggs in the refrigerator away from cheese, citrus, fish or other aromatic foods.

Remember--to get the most for your egg money--store eggs properly once you get them home from the store.

**E-town College To Give Students Information**

Robert M. Moore, assistant director of admissions at Elizabethtown college, will be meeting with interested students in the Mount Joy area on Friday, April 5, at the invitation of the guidance departments.

Moore will be at Donegal high school, at 9:30 a.m. and at Hempfield Senior High School, Landisville, at 11 a.m.

Elizabethtown is a private, liberal arts college, offering majors in 25 disciplines, including occupational therapy, music therapy and health care management.

**Spanish Students At DHS Will Present Program**

The Spanish students of Donegal high school will present their second annual Pan American Day program in the high school auditorium on Friday night, April 5, at 8 o'clock.

There will be a parade of flags, several skits, poems, singing, dancing, a bullfight, and a fiesta presented during the program.

Pan American Day is celebrated annually as a "commemorative symbol of the American nations and the voluntary union of all in

one continental community" marking the anniversary of the day in 1890 when the Pan American Union was established.

Each year there are special observances, classroom projects, club programs, and social events planned to mark the Spanish and English so that all may enjoy the presentation. There is no admission charge and everyone is welcome to attend.

The program is under the direction of Glenn E. Hess, D.H.S. Spanish teacher.

**Display Of Scissor Cuttings Shown At Library Center**

Scherenschnitte, the German art of scissor-cutting, is being featured at the Mount Joy library with a display by a Donegal high school senior.

The cuttings were done by Anne Spangler, daughter of Mr. and Mrs. Robert Spangler, Fairview avenue, Marietta.

Her work is traditional 18th and 19th century designs but the craft dates back to the 4th century B.C., when the ancient Chinese used them as decorations for their religious festivals.

The craft traveled through the centuries, passing through most European countries. It became a popular folk craft in the colonies in the late 1600's.

At the present time it is the

second most important folk craft in Poland and gradually is being revived in the United States.

**Richard Buchanan Plays On MSC Tennis Team**

Richard H. Buchanan, son of Mr. and Mrs. Paul R. Buchanan, 124 W. Walnut St., Marietta, is playing on the Millersville State College varsity tennis team, which opens its home season March 28.

A sophomore chemistry major, Buchanan earned a letter on the junior varsity tennis squad last season. He is a graduate of Donegal High school, where he lettered in tennis and wrestling.
