DONEGAL TAKES BIG SHARE, AGAIN

Mary Alice Heilman Wins Reserve Championship At Science Fair

As in many other years, when the final count was taken, Donegal high school again, in 1974, has grabbed a huge share of honors in the Lancaster County Science Fair.

This year, reserve championship honors were won by Mary Alice Heilman, 15-year-old junior, daughter of Mr. and Mrs. Carl Heilman, who did her project on a study of ozone, a gas similar to oxygen which is formed under magnetic condition.

Her reserve championship entitles her to participate in the international Science Fair, to be held at Notre Dame university at South Bend, Ind., in May.

Mary Alice, who also is very interested in art and is an accomplished violinist, joins a long list of Donegal students who have won high honors in Lancaster county and have shown their scientific exhibits at the in-

ternational fairs across the country.

Donegal this year won 28 of the 96 honors given at the county fair, held last week at Conestoga Valley high school. That number represents approximately 30 percent of the placements and honors.

In principal competition at the fair, Carol Sue Henny, daughter of Mr. and Mrs. Kenneth Henny, R1, Mount Joy, won first in chemistry and Nancy Jo Greenawalt, daughter of Mr. and Mrs. Warren Greenawalt, Mount Joy R1, was second in physics.

D.H.S. scored heavily in chemistry. Besides Carol Sue, Newton Kendig placed third and three Donegal girls were given honorable mention - Salisa Stauffer, Maureen Jones and Ramona A. Sell.

Donegal entries who took honors and their projects include:

Mary Alice Heilman, 15, Donegal high school senior, daughter of Mr. and Mrs. Carl Heilman, West Main street, reserve champion of the show; U.S. Air Force chemistry Award; Civil Defense Nuclear Chemistry award, and first place in American Chemical Society competition. ("When Lightning Strikes: Determining the Rate Ozone Decomposes at Various Temperatures.")

Carol Sue Henny, daughter of Mr. and Mrs. Kenneth Henny, Mount Joy R1, first place in chemistry, and third place in American Chemical Society competition. ("Removal of Sulphur from Coal.")

Community Good Friday Service

A Good Friday Community Service for Mount Joy and vicinity will be held at Trinity Lutheran Church.

The program will begin at 1 p.m. with a traditional worship service in three segments to allow worshippers to come and go at intervals. The congregation will share in the message through music and the spoken word.

Liturgists for the service will be the Rev. Donald Whitesel and the Rev. W. Richard Kohler. The sermon of the day will be by the pastor of Trinity Church, the Rev. W. Lester Koder. Mrs. Joan Betty will offer two vocal selections during the first hour service. Miss Beulah Smith will be at the organ.

Part two of the Good Friday Service will be in the form of a dramatic presentation by the Caravan Players of Lancaster. The theatrical group will perform "No Name in the Street" by Edward Murch. This drama is an interpretation of some of the events of Holy Week.

A brief period of meditation with closing devotions will round out the two-hour worship experience.

The community is invited.
