You're Never Too Old To Hear Better

Chicago, Ill. - A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid ever made will be given absolutely free to anyone requesting it.

This is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so write for yours now. Thousands have already been mailed, so write today to Dept. 9673, Beltone Electronics Corp., 4201 W. Victoria St., Chicago, Ill., 60646.
